but the day before I believe I never missed Hubbard so much as at that moment I never felt his loss so keenly as then An almost irresistible impulse seized me to go on into our old trail and hurry to the camp where we had left him that stormy October day and find if he were not after all still there and waiting for me to come back to him The Long Labrador Trail - Primary Source Edition Dillon Wallace,2014-01-05 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification The Long Labrador Trail Dillon Wallace The Outing publishing co 1907 Labrador Labrador N L Labrador Nfld **The Long Labrador Trail ...
