,2012-03 Hindu Idol Worship C Srinivasa Murthy,2025-08-01 I have come across extensive literature and lectures
criticizing Hindu idol worship However our spiritual leaders seldom clarify the purpose science and significance behind this
practice Many of them appear divided on the subject and as a result most of us have doubts about the rationality of idol
worship in Hinduism I have not encountered any spiritual leader who supports idol worship as it is It seems that even they
are uncertain about it As I see it the primary reason for this confusion is that our spiritual leaders are more focused on Yoga

and Meditation and less on Self Knowledge Jnana Marga the Path of Knowledge I felt an urgent need to address these doubts and misconceptions This book is my attempt to clarify them I have tried to answer most of the Frequently Asked Questions FAQs on this topic and having written this book I feel deeply fulfilled **Labor Relations Reference Manual** ,1960
