Graeme Auld,1994-01-01 For almost two centuries biblical scholars have operated in the shadow of de Wette s judgement that the books of Chronicles are derived from and hence historically inferior to the books of Samuel Kings Without disputing de Wette s historical feel for the unreliability of the Chronicler Graeme Auld suggests a fresh model for understanding the interrelationships of these two accounts of the Bible s kings each had supplemented quite independently of the other a common inherited text that had told the story of Judah s kings from David to the fall of Jerusalem He reconstructs and explains this shared source This fresh study shows that the author of Samuel Kings was no less partisan than the Chronicler when retelling older traditions of Israel and Judah Sometimes the two books diverge considerably as over King Hezekiah At

other times the differences are slighter yet quite as telling after forty shared verses of petition in Solomon's prayer at the dedication of the Jerusalem Temple the version in Kings ends by appealing to the Exodus and mentioning Moses by name but Chronicles as often more traditionally names David and quotes a Psalm

Samuel at the Threshold Graeme Auld, 2017-05-15 In this book Graeme Auld brings together his work relating to Samuel and the Former Prophets in an invaluable single volume Including Prophets through the Looking Glass which has been described as marking a paradigm shift in our thinking about the Bible's writing prophets and which led the author to equally novel proposals about biblical narrative the first part of this volume traces the route through the looking glass to his radical argument in Kings without Privilege 1994 The apparently straightforward but actually controversial claim is defended that the main source of the biblical books of Samuel Kings and of Chronicles was simply the material common to both The major portion of this volume of collected papers explores some of the fresh perspectives opened for reading the present books of Samuel the books from Joshua to Kings as a whole and the Pentateuch
