beings she has been just as deeply touched by the people who have bravely protested these injustices and who work relentlessly to make this world a kinder place These are her heroes the rebels the bunny huggers those with the largest hearts and the softest souls These poems honor them and the animals they serve Hold Your Appetite Swati Prakash, 2021-05-02 Poetry for Ascension for the Vegan Soul and Spirit on animal rights rebellion and equality are featured in this tasteful collection But please hold your appetite for a moment because veganism is not merely another delightful alternative in the kitchen It is a movement against the deliberate exploitation of sentient animals who are cruelly abused unnecessarily although all our nutritional and lifestyle skills are fabulous enough to be devoid of abuse of even a single creature This book is a slap in the face of those consumers who remain reluctant to take just one simple step in the right direction toward the vegan section of the supermarket and the system that is corrupt for obvious reasons These poems are unapologetic as they are dedicated to those billions of non violent beings who are shattered each year by the enormous crimes occurring in private places all around us Very conveniently countless babies and adults are raped murdered and sold off as shoes belts coats sausages curries and burgers after a life of continuous suffering violence coercion control and domestic abuse Considered as properties they tarry around in lorries and trucks to their last breath of such horrors unperceivable by humans that are strangely passed off as your personal choice in our psychopathically violent world Meat of animals dairy eggs and other products surround us in the Devil s own Hell a system of lower reptilian consciousness one that each sane and rational human being should speak out against day after day Anyone is free to print reprint and paste these original content of poems all over the streets or your chosen networks or to use them in songs as long as it is for the higher motive
