

# Reading Words

## Across

- [3] Letter or group of letters put at the end of a word or part of a word
- [4] Where and when a story takes place
- [6] Word with an opposite or almost opposite meaning
- [8] Repeating the same consonant sound at the beginning of several words in a sentence
- [10] A word that is made from two words with an apostrophe put in where letters are left out
- [13] Words that end with the same sound
- [14] A word spelled the same as another word but pronounced differently
- [16] A word made up of two words
- [17] The story of a person's life told by another person
- [18] Letter or group of letters at the beginning of a base or root word to change the word's meaning

## Down

- [1] The part of the word without any prefixes or suffixes
- [2] A story with imaginary events and people
- [5] A story with real events, people and facts
- [7] A type of fiction with imaginary events and people that could be true
- [9] The story of a person's life told by that same person
- [11] Word with the same or almost the same meaning
- [12] The feelings of a selection
- [15] Word that sounds alike another word but is spelled differently with a different meaning
- [19] A group of words or a phrase that has a hidden meaning

Essential American English Vocabulary Word Search Puzzles (Vol 1) - School Edition Clifford Robert Jean-philippe, 2017-08-22 Essential American English Vocabulary Word Search Puzzles Volume 1 can be used alone or in addition to other materials that facilitate the process of reading writing speaking and listening to American English It can benefit students of all ages and levels of learning by helping them acquire or review some of the essential and common vocabulary words used by native speakers of American English The major categories of vocabulary are covered such as animals common fruits and vegetables countries and nationalities numbers etc In its pages the ESL student as well as the non ESL student will find useful vocabulary words that Americans use in everyday conversation Each puzzle also comes with a solution that has the answers highlighted in grayscale for clarity

**Vocabulary Genius** Talia Swinton, 2021-01-21 There

are many different vocabulary building exercises that you can use to improve your English proficiency whether for test prep purposes or to assimilate more quickly in a new geography or for professional purposes Here are some of the popular ones

Flash cards These are a great way to start and to build up a strong word power base However the lack of measurable achievement and gamification can make it difficult to keep score and can reduce the motivation to keep trying at later stages It also does not directly help to prepare for a test environment Simple questions and answers about word meanings These are like flash cards but with an option to keep score This is probably the most common format that you will see in other books but the format can get tiresome after a while because you see it everywhere In addition the density of information is not very high you learn exactly one word per question The format of most of the questions in this book The gamified synonym format in this book is a great way to learn a large number of words quickly and to be entertained while you are doing it In each of the questions in this book you will be given a word and you will need to match that word with a second word that is closest in meaning to the first word from among a pool of five words Here are the advantages of the synonym based exercises that you will encounter in this book

- 1 High density of learning Each question ensures that you will learn at least two new words consolidate your knowledge of at least two words the two whose meanings you are trying to match In addition if you are stuck on a question and need to look up the meanings of the other words in the options to make a guess by elimination you could learn up to 6 new words per question This is 500% higher than the average question in other test prep books
- 2 Interesting format The freshness of this format ensures that you will never be bored and that it will never feel like a chore Many of the questions feel closer to puzzles than to exam questions and this will help you out in more work per session than you could otherwise This in turn will translate to higher test scores and a larger richer English vocabulary acquired in a shorter time than everyone else
- 3 Flexibility in attempting the questions in this book If you want to dip into this book a few times a week it will last you an entire year If you want to spend a few hours every day attempting the exercises it will last you an entire month on the first read through and you can always do a second read through to check if you know the meanings of the additional thousands of words in the other options You can also attempt it initially with the aid of a dictionary or thesaurus and slowly fly solo this is a great way to level up and feel good about your increasing proficiency in English Have a groundbreaking positive memorable successful ineffable awesome time

The Vocabulary Builder Puzzle Book Jane Armstrong, 2021-05-08 An extensive knowledge of English vocabulary in use today is vital for the 11 and Common Entrance examinations The Vocabulary Builder Puzzle Book introduces over 1500 key 11 words in a fun and engaging way to improve vocabulary and boost reading writing and speaking skills Ideal for students taking the Eleven Plus and more engaging and effective than 11 vocabulary flashcards The Vocabulary Builder Puzzle Book turns the onerous task of revision into an opportunity for independent learning and enjoyment Greatly increases vocabulary Improves reading writing and speaking skills Includes over 1500 key 11 plus words Ideal for the CEM and GL Assessment style 11 exams Includes additional
