Clashing Worlds: From International to Intrapersonal Conflict Anthony M. Ocaña, 2019-01-04. This volume was first published by Inter Disciplinary Press in 2016. What drives young men to terroristic extremes? How can coverage of the sex industry impede criminalization efforts? Why can't college students just get along? Presenting an array of perspectives, applications and approaches toward conflict analysis, this ebook tackles challenging topics we face not only globally but also in our most personal interactions. Beginning with the language that launched the Iraq war, we examine how nations and cultures clash across borders. Within borders, we explore the impact of language on identity, alienation and nation sanctioned vice. Finally, we get personal as we examine how students and young professionals struggle with power and identity in their efforts to effectively express who they are and how they relate to others. Clashing Worlds reveals the inescapable connection between communication and conflict where only greater understanding can offer hope for better relations. **Leadership** Craig E. Johnson, Michael Z. Hackman, 2018-01-26. Leadership: A Communication Perspective has been at the forefront of university and college leadership courses for nearly three decades, providing a compelling, authoritative introduction to leadership as a communication based activity. The new edition continues the tradition of excellence with an up to date treatment of theory and research combined with practical, real world advice for improving communication competence and leadership effectiveness. Relevant! The authors profile contemporary leaders and organizations like Alibaba's Jack Ma, Zappos' Tony Hsieh, Facebook's Sheryl Sandberg, Uber, The Container Store, Airbnb, Chipotle, the Waffle House, Nordstrom and Google. Their presentation balances current scholarship and trends with historical perspectives to provide a fuller understanding of the study and practice of leadership. Comprehensive! Leadership and followership are examined in multiple contexts including organizational leadership, public leadership and leadership in groups and teams. Topics new to this edition include transcendent followership, the leadership skills approach, team coaching, escalation of commitment, invisible leadership, cultural intelligence, trigger events and resilience. Full featured! Self Assessments measure readers' perceptions of personal leadership skills, communication style, cultural intelligence, motivation to lead and more. Case Studies examine leadership situations and pose thoughtful questions that prompt students to apply their experiences and understandings. Research Highlights summarize seminal and recent scholarship. Chapter Takeaways reinforce important concepts and action steps. Application Exercises offer abundant opportunities to explore practice and reflect on chapter content. Cultural Connections discuss leadership expectations and behaviors in other cultures. Leadership on the Big Screen correlates chapter concepts with the themes of popular films and documentaries. The Business Communication Handbook Judith Dwyer, Nicole
