Major Jones's Courtship: Detailed, with other Scenes, Incidents, and Adventures, in a Series of Letters by Himself Anonymous, 2025-08-20 Reprint of the original first published in 1872 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Courtship and Love among the Enslaved in North Carolina Rebecca J. Fraser, 2009-11-12 Through an examination of various couples who were forced to live in slavery Rebecca J Fraser argues that slaves found ways to conduct successful courting relationships In its focus on the processes of courtship among the enslaved this study offers further insight into the meanings that structured intimate lives Establishing their courtships often across plantations the enslaved men and women of antebellum North Carolina worked within and around the slave system to create and maintain meaningful personal relationships that were both of and apart from the world of the plantation They claimed the right to participate in the social events of courtship and in the process challenged and disrupted the southern social order in discreet and covert acts of defiance Informed by feminist conceptions of gender sexuality power and resistance the study argues that the courting relationship afforded the enslaved a significant social space through which they could cultivate alternative identities to those which were imposed upon them in the context of their daily working lives

The American Bookseller ,1881 **The Publishers Weekly** ,1902 *Major Jone's Courtship* Joseph Jones, 1852

Elizabethan Women and the Poetry of Courtship Ilona Bell, 1998 This 1999 book offers an original study of lyric form and social custom in the Elizabethan age Ilona Bell explores the tendency of Elizabethan love poems not only to represent an amorous thought but to conduct the courtship itself Where studies have focused on courtiership patronage and preferment at court her focus is on love poetry amorous courtship and relations between Elizabethan men and women The book examines the ways in which the tropes and rhetoric of love poetry were used to court Elizabethan women not only at court and in the great houses but in society at large and how the women responded to being wooed in prose poetry and speech Bringing together canonical male poets and women writers Ilona Bell investigates a range of texts addressed to written by read heard or transformed by Elizabethan women and charts the beginnings of a female lyric tradition **Courtship and Matrimony** Robert Morris, 1858 *Creative Listening and the Psychoanalytic Process* Fred Griffin, 2016-08-25 Contemporary psychoanalytic thinking about the interdependence of subjectivity and intersubjectivity has reenvisioned the analytic process and with it the very nature of creative and engaged psychoanalytic listening Yet few systematic writings on psychoanalytic listening or technique provide comprehensive instruction that would prepare the analyst for the kind of analytic listening needed to participate imaginatively in this sort of intersubjective experience Offering a short course in analytic listening *Creative Listening and the Psychoanalytic Process* provides a guide for the clinical uses of imaginative literature Outside the psychoanalytic literature extraordinary pieces of imaginative literature exist that provide the kind of experience in analytic

listening that can guide clinicians in their work with patients Certain works of fiction create textured sensory worlds in which complex characters possessing shifting states of consciousness live within fluid emotional atmospheres In this book Fred Griffin demonstrates that by entering the worlds that original writers create in their texts the psychoanalytic therapist will learn to attend more closely to varying emotional states that generate nuanced multidimensional views of the analysand's internal and relational worlds He illustrates how these works capture more fully the sensory experience encountered by psychoanalysts when taking in what the patient communicates within the analytic space Creative Listening and the Psychoanalytic Process presents case material alongside selected passages from works of fiction written by a range of creative writers each of which stimulates analytic sensibility about this clinical experience A conceptual framework is provided that makes these and other original works of fiction more accessible for these purposes This book will be essential reading for psychoanalysts and psychoanalytic psychotherapists as well as professors and graduate students studying psychoanalysis and literature It will also appeal to literary scholars and those teaching and practicing in the field of narrative medicine *A Calendar of the Charters, Rolls and Other Documents (dating from A.D. 1182), as Contained in the Muniment Room at Sherborne House, in Gloucestershire, Belonging to the Right Honourable the Lord Sherborne Dutton family, 1900*
