Word Crafting Teaching Spelling:

Word Crafting Cindy Marten, 2003 At long last a spelling and vocabulary book written by a classroom teacher who is a literacy specialist too Cindy Marten responds to the demand for direct systematic and explicit phonics and spelling instruction that goes way beyond what to teach she addresses the questions of how when and why spelling should be taught More important she situates spelling within the contexts of real writing and the individual learner's needs In Word Crafting Marten offers an approach that is at once playful intellectual and artful engaging students in inquiry and wonder about words Word crafting is analogous to the ways fine woodworkers develop their skills through collecting the right tools item by item until they have a toolbelt full of them The same is true for teaching spelling and here Marten supplies the tools each one carefully selected for her students Dip into her book for tools to assess and group students for effective instruction engage them from the start in smart word study help students learn high frequency words rules patterns and spelling demons align your teaching with school district state and national mandates Use these tools to set up word crafting contexts that connect the study of words to authentic reading and writing Craft a word study program that turns your students into more than good spellers they'll be fine word crafters

Crafting Writers, K-6 Elizabeth Hale, 2008 How do we teach elementary students to independently use the different elements of craft that are discussed and taught in lessons We begin by honoring the reality that terms like voice sentence fluency and writing with detail are descriptions of where we

want our students to be not next steps on how to reach those goals In *Crafting Writers K 6* Elizabeth Hale shows us how to identify specific elements of craft when assessing student work and planning instruction and use them to teach students the specific craft techniques that will move them forward as writers Liz offers practical information that teachers can use immediately in their classrooms She also presents a concrete process for noticing craft in writing so teachers can develop and plan craft lessons based on their students writing Learning the techniques that make up good writing also allows teachers to see craft in many different levels of writing a skill that is particularly powerful when conferring with below grade level writers Additional chapters look closely at assessment and classroom management practices like group conferring Most of us know good writing when we read it but writing teachers need to know what makes it work Filled with easy to use charts and practical lessons *Crafting Writers K 6* provides clear insight into identifying and teaching the small elements that make good writing successful

Literacy Essentials Regie Routman, 2023-10-10 In her practical and inspirational book *Literacy Essentials Engagement Excellence and Equity for All Learners* author Regie Routman guides K 12 teachers to create a trusting intellectual and equitable classroom culture that allows all learners to thrive as self directed readers writers thinkers and responsible citizens Over the course of three sections Routman provides numerous Take Action ideas for implementing authentic and responsive teaching assessing and learning This book poses a key question How do we rise to the challenge of providing an engaging excellent equitable education for all learners including those from high poverty and underserved schools Teaching for Engagement Many high performing schools are characterized by a thriving school culture built on a network of authentic communication Teachers can strengthen classroom engagement by building a trusting and welcoming environment where all students can have a safe and collaborative space to grow and develop Pursuing Excellence Routman identifies 10 key factors that describe an excellent teacher ranging from intellectual curiosity to creativity and explains how carrying yourself as a role model contributes to an inclusive caring empathic and fair classroom She also stresses the importance for school leaders to make job embedded professional development a top priority Dismantling Unequal Education The huge gap in the quality of education in high vs low income communities is the civil rights issue of the 21st century according to Routman She spells out specific actions educators can take to create more equitable schools and classrooms such as diversifying texts used in curriculums and ensuring all students have access to opportunities to discuss reflect and engage with important ideas From the author I wrote *Literacy Essentials* because I saw a need to simplify teaching raise expectations and make expert teaching possible for all of us I saw a need to emphasize how a school culture of kindness trust respect and curiosity is essential to any lasting achievement I saw a need to demonstrate and discuss how and why the beliefs actions knowledge we hold determine the potential for many of our students Equal opportunity to learn depends on a culture of engagement and equity which under lies a relentless pursuit of excellence
