These elves are off the shelves. Ollie and Celia think they know what the life of an elf is supposed to be like. Make toys. Help Santa. Make more toys. Help Santa. Try out a new ice cream flavor. Help Santa. But then Santa rocks the North Pole with a surprise announcement. He's decided this is going to be his last year in the Big Red Suit and instead of letting his oldest son, the unfortunately named Klaus Claus, take over, he's opening up the job to any kid who wants to apply. Claus or elf. The Santa Trials have begun. Ollie and Celia enter the contest, having no idea whatsoever that they'll soon have to squeeze through impossible chimneys, race runaway sleighs, sweet talk a squad of rowdy reindeer, and consume cruel amounts of cookies and milk. It's both an adventure and a survival test far beyond what any elf or Claus has been asked to do before. But whoever rises to the top will get a reward even bigger than Christmas. **The President's Dilemma** Cooper, 2009-06-08 When the White House escalates the War on Drugs by launching the GREAT ROUNDUP and interning all stoners from political swing states, the administration is outfoxed by Flea and his band of freewheelers, including The Most Beautiful Woman in the World, who take over the internment camps and convert them into social experiments. But even Flea and company are outdone by the Devils Tower when that celebrated Wyoming mountain moves east toward the nation's capital. No one knows what the mountain wants or how to deal with it until it makes a non-negotiable demand of the U.S. President. *Beyond a Reasonable Stout* Ellie Alexander, 2019-10-01 Amateur sleuth Sloan Krause delves into the murderous political world in another delightful mystery from popular cozy writer Ellie Alexander. It's the dead season in Leavenworth, Washington. The throngs of Oktoberfest crowds have headed home, and the charming Bavarian streets are quiet and calm momentarily. Villagers use the reprieve to drink in the crisp fall mountain air and prepare for the upcoming winter light festival. Soon the German-inspired

shops and restaurants will be aglow with thousands of twinkling lights Visitors will return to the northern Cascades to drink warm mulled cider and peruse the holiday markets Brewer Sloan Krause and her partner in crime Garrett Strong are using the slowdown to stock up on a new line of their signature craft beers at Nitro They re experimenting with a hoppy holiday pine and a chocolate hazelnut stout The small brewery is alive with delicious scents and bubbling batches of brew Sloan is in her element She loves the creativity and lowkey atmosphere at Nitro Only that is soon threatened by the incumbent city councilmember Kristopher Cooper Kristopher is running for re election on a platform of making Leavenworth dry Everyone in beertopia is fuming Leavenworth s economy relies on keeping the kegs flowing Kristopher wants to banish beer a policy that might just bankrupt the entire village However Kristopher turns up dead days before election night Sloan quickly realizes that his murder isn t the work of a stranger Friends family and every other business owner had a motive to kill him including none other than April Ablin Leavenworth s self described ambassador of all things German Sloan finds herself defending April and trying to sleuth out a killer amongst a group of familiar faces *Sidewalk Oracles* Robert Moss,2015-09-15
