B.H. Blackwell B.H. Blackwell Ltd, 1926 Writing the Wrongs John L. Thompson, 2001-06-28 Phyllis Trible's *Texts of Terror* is a landmark among those studying women of the Bible Focusing on stories of the maltreatment of women Trible

paved the way for subsequent feminist exegetes who have been very critical of such stories in the Bible and who see Christianity as an unredeemably patriarchal religion. It is commonly said that these Old Testament stories of rape, murder, torture, and abandonment passed without comment until recent times. Here Thompson traces and analyzes various Christian interpretations of these Bible stories of women. In drawing attention to views other than Texts of Terror, Thompson speaks to Christians who are battling over how the Bible ought to be read today.

Bulletin of Books in the Various Departments of Literature and Science Added to the Public Library of Cincinnati During the Year..., 1890 An Introduction to the Critical Study and Knowledge of the Holy Scriptures Thomas Hartwell Horne, 1841 Power and Marginality in the Abraham Narrative - Second Edition Hemchand Gossai, 2010-01-01

Who will speak for Hagar or Isaac or Sarah or the daughters of Lot? With an interpretive trajectory that moves from the margin to the center, this book gives voice to the marginalized and voiceless in the Abraham Narratives. Further, this approach is based on the premise that there is a continuum of power in the various characters in these narratives and that the most powerful are those who are lodged at the center while those with the least power are on the margin or beyond. The intent of this study is to direct and perhaps redirect our attention to the text and with fresh eyes seek a sometimes radical realignment of roles and power. It is true that many of the characters focused on in this book are women. This is not, however, only a book about women, though clearly women are the principal characters on the margin.
