Techniques for working with the subtle aspects of the body, emotions, and the subconscious mind. Dozens of practices for healing through the chakras, the meridians, chi, breathwork, auric fields, sacred geometry, acupressure, music, and much more. As Cyndi Dale writes, all medicine is energy medicine, which is why subtle energy practices can be used to complement and enhance any approach to healing or self-care. The Reiki Sourcebook Bronwen Logan, Frans Stiene, 2024-11-26 This is THE comprehensive resource you need to truly understand the system of Reiki from its origins in Japan. Carrie Varela: Twenty years ago, *The Reiki Sourcebook* revolutionized the Reiki community with its comprehensive coverage of the history, practice, and philosophy of the system of Reiki. It meticulously tracks every significant aspect from the system's inception in early 1900s Japan to the West and back to Japan. This anniversary edition celebrates the depth of research and clarity that this book has brought to the Reiki community. With an introduction for beginners and a chronological history that answers questions like "Where did the attunement process come from?" and "Which hand positions are correct?" these pages explain and illustrate techniques from both Japan and the West. This is the definitive manual for anyone with a particular interest in the system of Reiki, Japanese healing practices, or a more general interest in complementary health. Reiki authors and teachers Bronwen Logan and Frans Stiene, co-founders of the International House of Reiki, have worked with the system of Reiki and conducted research on its Japanese origins across Europe, Asia, North America, Australia, and Japan. Bronwen, who now resides in the Blue Mountains near Sydney, Australia, has since launched her own initiative, Reiki with Bronwen, to further explore and teach the practice. Frans has returned to his roots and teaches from his hometown of Haarlem in the Netherlands. Together, they continue to share their extensive knowledge and experience with Reiki practitioners worldwide.
