matter what anyone tells you boat cooking IS different from cooking ashore The space is smaller there s no grocery store 5
minutes away you have fewer prepared foods and electric appliances and food storage is much different Despite cruising
different oceans we Jan and Carolyn both faced the same challenges eating well while having time to enjoy all the other great
aspects of cruising We love to snorkel swim kayak explore and just sit and admire the view We learned with the cookbooks
we both had aboard and wished for information that wasn t available like when Jan ended up with a frozen chicken complete
with head and feet and no instructions on how to cut it up When we couldn t get foods such as sour cream English muffins
spaghetti sauce or yogurt we adapted recipes to make our own Other times we experimented with substituting ingredients
maybe the result wasn t identical but it was still tasty We ended up with over 150 substitutions and dozens of make it
yourself options As we traded recipes and knowledge with each other we realized we were compiling information that
became The Boat Galley Cookbook 800 recipes made from readily obtainable ingredients with hand utensils including
numerous choices to suit every taste not just one cake but 20 16 ways to prepare fish 10 regional barbeque sauces and so on
Step by step directions to give even non cooks the confidence they can turn out tasty meals without prepared foods Detailed
instructions on unfamiliar things like making yogurt and bread grilling virtually every food imaginable preparing and cooking
freshly caught fish and seafood cutting up and boning meat cooking in a Thermos and baking on the stove top as well as lots
of tips on how to do things more easily in a tiny moving kitchen All this in an easy to navigate format including side tabs on
the Contents to help you find your way and extensive cross reference lists at the end of each chapter Quick Reference Lists
