Spouse Ology Developing And Nurturing An Intimate Marriage:

Spouse-Ology Chris and Juanita Gissentaner, Juanita Gissentaner, 2014-12-24 Spouse ology Developing and Nurturing an Intimate Marriage We have learned that couples need the Lord at the center of their marriage to have a vibrant intimate and long lasting relationship As our creator and the creator of marriage God knows what it takes for us to be fulfilled We consult the manual about electronics that are made to last a short period of time why not consult the manual The Bible for our lives and marriages which are meant to last a lifetime We invite you to go on this journey with us manual in hand as we endeavor to intimately know our spouse Spouse ology Why not go deeper in the most important human relationship Why not invest a year of time well spent Time spent in learning to live better with one that our manufacturer says is fearfully and wonderfully made in Psalm 139 14 Spouse ology is designed for couples that have a desire to develop an intimate marriage for those that already have an intimate marriage and want to nurture that intimacy and for couples anywhere between those two scenarios It is structured as a devotional to bring a couple together each week to read a passage of scripture with an exposition of that biblical passage as it applies to marriage an example from our own marriage or our ministry to other couples and questions to prayerfully consider as you apply it to your own life and marriage We invite you to take this journey together with us and open your heart to your Lord and to each other We invite you to explore biblical principles for marriage and share our own journey and those of other couples We invite you to determine to give it your best as you invest in your spouse and your marriage You will receive if you are willing to work Our society says that life is give and take but life in Christ is based on giving and receiving Come with us and enjoy the journey **The Unfair Advantage** Dr. Harold L. Identity and Intimacy in Marriage Susan Krauss Whitbourne, Joyce B. Ebmeyer, 2013-11-11 Through the research on which this book reports we have been given the unique opportunity to explore the complex nature of two of the most important issues in the lives of adults identity and intimacy It is with deep gratitude that we give credit to the 80 individuals in our sample who allowed us to explore these processes in their lives Our purpose in writing this book was in some ways a modest one Both of us believed that research on the Eriksonian concept of intimacy was deficient in that it was limited to the reports of individuals about themselves We maintained that this kind of research could provide only a narrow and probably biased view of the intimacy development of individuals By obtaining complementary responses to the intimacy interview from both partners in a marital relationship we hope to pave a new path that future researchers in this area will follow Beyond this methodological advance we intended that this book's theoretical focus could put a new perspective on the well trodden path of research on marriage This more ambitious goal is one that we faced with

some trepidation The literature on marital adjustment and satisfaction is vast and potentially overwhelming
