A Dream About This Book Years ago I dreamed about a book I would write in the future In the dream I was looking at the book which fell open to the middle because of inserts located there The inserts reminded me of free samples offered in women s magazines for perfumes and other products The inserts offered in this book were free samples of dress shirts with bright colors such as pink lavender chartreuse teal and coral They were starched and folded and the reader was able to pick any one of them or all if they so desired I was amazed that something so valuable would be included with the purchase of a book I then woke up I asked others for an interpretation but never felt that any interpretation was correct God revealed the dream s interpretation a few months before this book went to print If you decide to purchase you will be holding the book from that dream in your hands God s interpretation the shirts represent the varied amazingly beautiful personalities of the people who will read this book This book will offer them maybe for the first time the opportunity to choose to be themselves apart from the influence of deceptions which have pressured them to be someone they are not The shirts were all brightly colored because every personality is uniquely crafted by God as one of a kind and therefore boldly stands out The freedom to take or leave the shirts was left up to the reader with no pressure whatsoever This represents God s gracious offer of freedom without any obligation The shirts could even be taken out later as they were nicely folded and did not interfere with the reading of the book This represents God s timing for some who will not be able to embrace their freedom while reading However they can come back later to choose their freedom God has a destiny for your life and He is faithful to lead you into it I pray this book will give you the courage to pick your own color and stand out as the one of a kind individual that He has called you to be

Gospel Sermons as Delivered by the Great Preacher Rev. Sam. P. Jones ... Sam Porter Jones, 1898. Congressional Record United States. Congress, 1992. **Rescue: So Others May Live!** J.D. Wilson, 2013-11. Leadership in the church has lost its God-ordained identity as small family fellowship leaders and traded it in for a Business model of leadership. The model for church life that Jesus left as a very strong impression on the New Testament was to be part of a family that shares each other's burdens and offers hope and healing prayer to one another. My purpose in writing this book is to help church leaders and small group leaders re-discover their God-given roles of family leadership. I write this message also in order to equip followers of Jesus to model and emulate Jesus Christ to others through surrender and obedience to the Holy Spirit. Galatians clearly teaches to Walk by the Spirit and that should be our only goal then Jesus can Rescue hearts through us. **Order and Chaos** Conrad Riker, 101-01-01. In this companion to his best-selling translation of The Dhammapada, Eknath Easwaran explains how The Dhammapada is a perfect map for the spiritual journey. Said to be the text closest to the Buddha's actual words, The Dhammapada is a collection of short teachings that his disciples memorized during his lifetime. Easwaran presents The Dhammapada as a guide to spiritual perseverance, progress and ultimately enlightenment, a heroic confrontation with life as it really is, with straight answers to our deepest questions. We witness the heartbreak of death, for instance, what does that mean for us? What is love? How does karma work? How do we follow the spiritual life in the midst of work and family? Does nirvana really exist and if so, what is it like to be illumined? In his interpretation of Buddhist themes illustrated with stories from the Buddha's life, Easwaran offers a view of the concept of Right Understanding that is both exhilarating and instructive. He shares his experiences on the spiritual path, giving the advice that only an experienced teacher and practitioner can offer and urges us to answer for ourselves the Buddha's call to nirvana, that mysterious, enduring state of wisdom, joy and peace.
