How to Win Friends and Influence People in the Digital Age Dale Carnegie Training, 2011-09-29 Since its initial publication

How to Win Friends and Influence People has sold a total of 15 million copies. The book continues to sell briskly today, but Carnegie never anticipated the ways in which the digital age would provide new tools and challenges for winning friends and influencing people. The advent of social networking sites, the dominance of email, and the ways in which the Internet has supplanted face-to-face interactions have made Carnegie's precepts all the more immediate and vital. Brent Cole, working in tandem with Dale Carnegie Associates Inc., has reimagined the original book for the digital age, updating and reframing Carnegie's insights about communication, self-expression, and leadership.
