The Morph-Image Steen Ledet Christiansen, 2024-09-12 In *The Morph Image* The Subjunctive Synthesis of Time Steen Ledet Christiansen argues for a new model of digital cinema that draws on Deleuzian and Whiteheadian insights into time and the future This model insists that the philosophy of time must be rethought to provide a better understanding of the future and that the digital capacities of post cinema present occasions of thought well suited to this task The figure of the morph Christiansen posits allows a conception of how post cinema expresses time as a means of capture that appears liberatory but modulates subjectivities into temporal forms of control These temporal forms include digital animacies flows loops synthetic long takes and disjunctive editing all of which are false formations of freedom Ultimately the author positions the unruly creativity of an event's potential of making the impossible possible in order to bring about true advancements into novelty as escape from this dynamic This book contributes to both Deleuzian film theory and a burgeoning Whiteheadian film philosophy through deep engagement with key post cinematic films including *Holy Motors* *Collateral* *Domino* *Limitless* *Spring Breakers* and *Everything Everywhere All at Once* In doing so important concepts of potentiality actuality and the future are considered and addressed in relation to the contemporary capitalist regime of control

Transcultural Perspectives in Literature, Language, Art, and Politics Aristi Trendel, Indra Karapetjana, 2024-09-23 *Transcultural Perspectives in Literature Language Art and Politics* is a contribution to the field of transcultural studies that has been gaining ground since the turn of the twentieth century Embracing the transcultural lens in the humanities and social sciences it demonstrates how the relevance necessity and wide range of this approach can better enhance our understanding of the contemporary world as well as the past Though all the contributors have a humanities background they work in different research fields such as literary studies linguistics translation studies cinema or intellectual history and use a variety of theoretical frames A transdisciplinary framework also seems to be the most practical one to meet the challenges that transcultural phenomena and developments present In sixteen chapters organized in five sections literature translation and linguistics cinema communication and politics the volume explores the dynamics of transculturality at a micro and macro level its benefits and limits These studies suggest that transculturality is not only used as an intellectual working tool but also as an identity in motion that may represent a glimmer of hope in a world that seems to be in the throes of unreason and on the brink of self induced destruction

The Moving Image as Public Art Annie Dell'Aria, 2021-05-08 This book maps the presence of moving images within the field of public art through encounters with passersby It argues that far from mere distraction or spectacle moving images can produce moments of enchantment that can renew intensify or challenge our everyday engagement with public space and each other These artworks also offer frameworks for understanding how moving images operate in public space how they move viewers and reconfigure the site of the screen Each chapter explores a mode of address that examines how artists and curators leverage the moving image's attentional power to engage audiences create

spaces make place and challenge assumptions This book also examines the difficulties and compromises that arise when using urban screens for public art *Historical Dictionary of American Cinema* M. Richard, William Fitzhugh, 2014-08-05 Maine to Greenland is a testament to one of the world's great geographic regions the Maritime Far Northeast For more than three decades William W Fitzhugh and Wilfred E Richard have explored the Northeast's Atlantic corridor and its fascinating history habitat and culture The authors powerful personal essays and Richard's stunning photography transport readers to this vibrant region joining Smithsonian archaeological expeditions and trekking in vast and amazing terrain Following Fitzhugh

and Richard's travels north from Maine to the Canadian Maritimes Newfoundland and northern Quebec then to Labrador Baffin and Ellesmere islands and Greenland we view incredible landscapes uncover human history and meet luminous personalities along the way Fully illustrated with 350 full color photographs Maine to Greenland is the first in depth treatment of the Northeast Atlantic corridor and essential for armchair travelers locals tourists or anyone who has journeyed there Today green technology climate change and the opening of the Arctic Ocean have transformed the Maritime Far Northeast from an icy frontier into a global resource zone and an increasingly integrated international crossroads In our rapidly converging world we have much to learn from the Maritime Far Northeast and how its variety of cultures have adapted to rather than changed their environments during the past ten thousand years Maine to Greenland is not only a complete account of the region's unique culture and environment but also a timely reminder that amidst the very real consequences of climate change the inhabitants of the Maritime Far Northeast can show us grounded and sustainable ways of living

**The Rural New-Yorker**, 1928      **Maoist Laughter** Ping Zhu, Zhuoyi Wang, Jason McGrath, 2019-08-01

WINNER 2020 Choice's Outstanding Academic Title During the Mao years laughter in China was serious business Simultaneously an outlet for frustrations and grievances a vehicle for socialist education and an object of official study laughter brought together the political the personal the aesthetic the ethical the affective the physical the aural and the visual The ten essays in Maoist Laughter convincingly demonstrate that the connection between laughter and political culture was far more complex than conventional conceptions of communist indoctrination can explain Their sophisticated readings of a variety of genres including dance cartoon children's literature comedy regional oral performance film and fiction uncover many nuanced innovations and experiments with laughter during what has been too often misinterpreted as an unrelentingly bleak period In Mao's China laughter helped to regulate both political and popular culture and often served as an indicator of shifting values alliances and political campaigns In exploring this phenomenon Maoist Laughter is a significant correction to conventional depictions of socialist China Maoist Laughter brings together prominent scholars of contemporary China to make a timely and original contribution to the burgeoning field of Maoist literature and culture One of its main strengths lies in the sheer number of genres covered including dance traditional Chinese performance visual arts film and literature The focus on humor in the Maoist period gives an exciting new perspective from which to understand cultural production in twentieth century China Krista Van Fleet University of South Carolina An illuminating study of the culture of laughter in the Maoist period Focusing on much neglected topics such as satire jokes and humor this book is an essential contribution to our understanding of how socialist culture actually worked as a coherent dynamic and constructive life experience The chapters show that traditional culture could almost blend perfectly with revolutionary mission Xiaomei Chen University of California Davis

Soul Snare Charlene Yoder, 2014-12-22 Clare James never intended to do more than visit museums and sketch the work of centuries of artists who had come before her when she signed up for a study abroad

program in London England However after her travel companion s belongings are nearly blown up under suspicious circumstances she arrives at her flat where her new roommate bullies her at knifepoint Exhausted and scared she is quickly disillusioned about her reasons for coming overseas And then Lizbeth a friend from the United States whose mother is British shows up with a mysterious tale of a stolen family heirloom a painting so small it could be hidden in the sole of a shoe This painting could prove the existence of a lost royal heir and close the doors of one of London s largest churches forever Intrigued like a modern Nancy Drew she goes from decoding messages by candlelight in the dome of St Paul s cathedral to avoiding capture by doodling caricatures of guests amidst the glitz of a grand country ball In her quest to find the truth can Clare stay connected to the unique voice God has given her to share her testimony with the other students in the program and solve the meaning of the miniature painting s existence without compromising her beliefs Reader s Guide Included
