The Basic Principles Of Godly Living:

The Basic Principles of Godly Living Lucius Joseph, 2015-01-16 The Almighty God the Creator of the heavens the earth the sea and springs of water and in Whom we all live and move and have our existence have ordained specific principles by which every aspect of life is governed and principally by which man should live These principles are eligible to all peoples nations tribes and languages for it is stated that For you are all sons of God through faith in Christ Jesus For as many of you as were baptized into Christ have put on Christ There is neither Jew nor Greek there is neither slave nor free there is neither male nor female for you are all one in Christ Jesus One very important consideration is the fact that since the transgression of Adam and Eve in the garden of Eden man separated himself from God and God selected only a few men like the patriarchs and the prophets to communicate with them and kept the communication line between Himself and man open But with the rest of humanity it is said that In bygone generations He allowed all nations to walk in their own ways Nevertheless He did not leave Himself without witness in that He did good gave us rain from heaven and fruitful seasons filling our hearts with food and gladness Acts 14 16 17 But in due time He called the nation of Israel to be a special people unto Himself and revealed to Moses His principles of Godly living and so Moses said to the people For you are a holy people to the Lord your God the Lord your God has chosen you to be a people for Himself a special treasure above all the peoples on the face of the earth The Lord did not set His love on you nor choose you because you were more in number than any other people for you were the least of all peoples but because the Lord loves you and because He would keep the oath which He swore to your fathers the Lord has brought you out with a mighty hand and redeemed you from the house of bondage from the hand of Pharaoh king of Egypt Therefore know that the Lord your God He is God the faithful God who keeps covenant and mercy for a thousand generations with those who love Him and keep His commandments and He repays those who hate Him to their face to destroy them He will not be slack with him who hates Him He will repay him to his face Therefore you shall keep the commandment the statutes and the judgments which I command you today to observe them Deuteronomy 7 6 11 The children of Israel were supposed to be an example to the other nations so that they could imitate them as alluded to by Moses who said to them Surely I have taught you statutes and judgments just as the Lord my God commanded me that you should act according to them in the land which you go to possess Therefore be careful to observe them for this is your wisdom and your understanding in the sight of the peoples who will hear all these statutes and say Surely this great nation is a wise and understanding people For what great nation is there that has God so near to it as the Lord our God is to us for whatever reason we may call upon Him And what great nation is there that has such statutes and righteous judgments as are in all this law which I set before you this day Only take heed to yourself and diligently keep yourself lest you forget the things your eyes have seen and lest they depart from your heart all the days of your life And teach them to your children and your grandchildren The living principles which the Lord gave to Moses for the children of Israel are perpetual as Moses explained

to the people saying For ask now concerning the days that are past which were before you since the day that God created man on the earth and ask from one end of heaven to the other whether any great thing like this has happened or anything like it has been heard Did any people ever hear the voice of God speaking out of the midst of the fire as you have heard and live *Principles For Christian Living* Rev. Robert L Ramsey,2014-07-31 *Principles for Christian Living* is a gift of inspiration encouragement and prodding to believers to live the way that Christians should live so they can reap the great rewards of a Godly life Those principles of faith discipline obedience forgiveness commitment hard work and sharing are brought beautifully to life through the experiences Rev Ramsey had growing up poor financially on a Georgia farm but enriched with devoutly religious parents who ensured that he knew God at an early age He shows how these principles apply to people s real lives and daily challenges In today s world a world full of turmoil and obsessed with material goods and riches a world that glorifies greed lewdness and indifference to the needs of others a world where Love thy neighbor is largely ignored this is the kind of book people need desperately And Rev Ramsey who lives these principles daily and preaches them from the pulpit constantly is just the person to write it **Guide to Christian Living** George V. Lobo,2004-09-28 Among all the theological disciplines perhaps moral theology has felt the impact of the conciliar renewal most There has been a mass of excellent literature calling for a synthetic presentation At the same time a more flexible and dynamic ethic based on the Gospel values of love and freedom while it has undoubtedly deepened the Christian life of many has also caused not a little confusion in the minds of many There are endless discussions on burning issues like contraception and abortion which often do not end in any satisfactory conclusion because the general principles for ethical decision are not clear There is also a polarization between conservatives and progressives which leaves the neutral observer puzzled This book is written to clarify the basic issues in Christian ethics in an age of secularism and pluralism Although it can be taken as a treatise on General Moral Theology this book is addressed to a wider audience than students of theology It is meant to be a guide to Christian Living according to Vatican II It seeks to transcend the unfortunate dichotomy between moral and spiritual theology as the Council clearly wanted when it spoke of the subject of moral theology as the Christian vocation of the faithful and their obligation to bring forth fruit in charity for the life of the world While discussing the basic principles of Christian ethics the main preoccupation has been to discover an approach to moral decision that would safeguard all the moral values in a given situation The broad orientations for moral guidance today have been brought out in several places Special attention has been given to the question of moral absolutes as it is central to ethical discourse now The ecumenical spirit common preoccupations and a shared respect for the Word of God have brought Catholic and Protestant moral theology closer Hence an effort has been made to have a dialogue with the theologians of the Reformed tradition The strong influence of Protestant ethical writers on current Catholic moral theology has been brought out Principles of Christian Living from Romans Five to Eight Bill Thrasher,2001-10-10 Foundational Truths For Christian Living Derek Prince,2025-01-24

Drawing from six decades of Scripture based teaching and study in the original Greek and Hebrew the late Derek Prince clearly explains the foundations for Christian faith salvation baptism the Holy Spirit laying on of hands the believer's resurrection and eternal judgment The revised book which has been translated and distributed worldwide in more than sixty languages offers Christians everything they need to develop a strong balanced Spirit filled life including a comprehensive index of topics and a complete index of Scripture verses

Real Life Christianity Alan Kelly, 2009-10 So many in Christianity are confused about their beliefs it's no wonder that those new to the faith have trouble knowing where to start In **Real Life Christianity 7 Basic Principles for Successful Christian Living** author Alan Kelly helps both kinds of readers see that with the right guide it is not hard to bring our faith into our daily lives Beginning with a solid foundation of who God is and who we are **Real Life Christianity** then demonstrates what went wrong in our relationship with God and what God has done to redeem us With these principles in place Alan moves on to show in simple terms how God has planned for us to live a successful life by changing the way we think This daily process of applying what we learn in the Bible to the routines and events of our real lives helps us to go from just surviving to flourishing from living a hectic and harried life to living the abundant and prosperous life God promised in his word

Divine Indwelling: Key to the Wisdom, Knowledge and Power of God from Within Man Bro. Josefino T. Rona, 2011-06-06 If I have to write all the experiences and miracles in my life it would be volumes All these miracles come from One Source the power of DIVINE INDWELLING These stories are not fictions They are real experiences of miracles that made me write the book in order to share with people who with their FAITH can get into the Threshold of God's Presence within the soul and let the LIGHT of God's Power shine forth to drive evil away The Truth is in the book The Process that even a little child can do is in the book But for one story among hundreds of stories let me share this one A male teenager came to my office at midnight trembling pale drunk high with drugs carrying a knife urged by his hallucinations to kill someone and that was me I knew at that moment the Lord sent this poor guy to me to be healed by the power of God's Divine Indwelling Gently yet carefully I led him to God's Presence within him and with the power of the prayer of faith by the power of God simply commanded the evil of drug addiction to leave Right at that moment the guy was healed The power of God in the soul of believers is truly REAL As I said I can share several stories of my experiences of miracles because of God's Divine Indwelling the very key that opens all the treasures of God's wisdom and knowledge Col 2:2-3 One who is serious in following what is written in this book can also see the experience of the power of God Hence I wrote the book to help as many as are looking for hope and peace within them Praise our awesome God
