Thomas King

The story starts off with Tecumseh, Lura, and Soldier watching a woman throw a suitcase into the river off a cliff and disappear after it. When the boys go to find this mysterious woman, all they find is a child's skull. This mystery had the young boys baffled as they searched for the answers to their curious questions throughout the rest of the novel.

During Truth and Bright Water, the reader gains knowledge of Tecumseh's past, as well as the past - and present - of many other characters in the book. We learn about Munroe Swimmer, a "famous Indian artist" who has returned to Truth and Bright Water in order to restore Native culture to the reserve. Tecumseh becomes Munroe's assistant, and as he helps him in his endeavours to restore Native culture and bring life back to the reserve, Munroe tells Tecumseh about his many heroic adventures, teaching him important lessons about life and Native culture.
