- This book is about a girl named Winnie, who decided to run away one day with a family named the Tucks. The Tucks secret is that they're immortal. They drank water from a spring that was actually a fountain of youth (found in Winnie's family's woods). Till the end of time, they will stay this way. Winnie falls in love with one of the Tucks, Jesse, a "17" year old boy who shares the same feelings for her. Scared of death, Winnie must choose between being immortal and being with Jesse or following the circle of life and dying someday.

differentiate instruction may have to be more active leaders they are not doing so at the expense of student thinking 4 The hallmark of an effective differentiated classroom is the use of flexible grouping which allows students to work with a variety of peers and with tasks that are thoughtfully designed to draw on their strengths as well as address their weaknesses
