

The background of the book cover is a photograph of a mosaic floor. The mosaic consists of small, multi-colored tiles (grey, white, red, blue, and gold) arranged in a circular pattern. In the foreground, there is a large, irregular, reddish-brown shape that appears to be a piece of metal or a large tile, partially covering the mosaic. The title "TUNISIAN DREAMS" is written in large, white, sans-serif capital letters across the middle of the image.

exploration encompasses the history manufacture distribution and readership of Jewish books These texts were not mere vessels of knowledge they were integral to a vibrant cultural tapestry that stretched across North Africa the Middle East and Europe Author Noam Sienna unveils a vast Sephardic world created by these books This literary network transcended geographical boundaries connecting Jewish communities from Fez and Tunis to Salonica Jerusalem and Livorno By examining cultural centers and tracing the journey of these texts Sienna provides depth to our understanding of a remarkably global and worldly book culture and its evolving role in the growth of Jewish modernity While the content of Jewish books has long fascinated scholars Jewish Books in North Africa shifts our focus to the physical context These books were not isolated artifacts they were embedded in cultural networks during a period of religious political and cultural transformation Sienna s work sheds light on the intricate interplay between books and the dynamic world in which they existed

Essays in Arabic Literary Biography: 1850-1950 Roger Allen, Terri DeYoung, Joseph Edmund Lowry, Devin J. Stewart, 2009 The essays which discuss authors in a variety of literary genres and across the spectrum of the region concerned from Iraq in the East to Tunisia in the West provide clear evidence of the gradually changing roles of the indigenous and the imported which are an intrinsic feature of the movement known in Arabic as al bahada cultural revival and the way in which Arab litterateurs chose to respond to the inspiration that such changes inevitably engendered

Beyond Coercion Adeed Dawisha, I. William Zartman, 2015-07-24 This volume first published in 1988 analyses the process of stabilisation amongst the Arab states a process that has contradicted all predictions of impending disintegration and impending collapse Although there were some cases of disintegration there are evidently mechanisms at work that helped consolidate the majority of Arab states and the Arab state system Revolutions as in Iran or the Sudan or political collapse and disintegration as in Lebanon have been highly visible but nevertheless exceptions This collection Volume Three in the Nation State and Integration in the Arab World research project carried out by the Istituto Affari Internazionali focuses on the problem of explaining the stability and persistence of the state in the Arab world

The Arab State Giacomo Luciani, 1990-01-01 The Arab state is often perceived and represented as a fragile structure This book investigates the foundations and prospects for the state and is a ground breaking and comprehensive text on the fundamental political structure of the Arab world This book should be of interest to all students of the Middle East international politics development studies government and economics
