Pepperoni Palace is a new pizza delivery enterprise opened in your town. It prides itself on using fresh ingredients to produce good quality pizzas. These can be delivered to anywhere within a 5 mile radius, within 30 minutes. However, it faces tough competition from leading brands such as Dominoes as well as other small independent pizza businesses.

Explain two reasons why it is important for Pepperoni Palace to anticipate and identify customer needs.

Notes to support your answer:
The anticipation and identification of customer needs covers a number of activities including:

- Researching the market to identify customer needs
- Making decisions about the price, quality, choice available and convenience in order to satisfy customer needs
- Keeping up to date with changes in the market in order to attain repeat custom and attract new customers

All with a view to generating sales, surviving and making a profit.
