**Yahweh God's Word** Kimberly M. Hartfield,2014-11-02 This Go Fish Ministries publication is a paraphrase of the Old and New Testaments Its main purpose is to present a simplified version to those who have difficulty understanding more traditional ones especially children and teens My inspiration was to give my own children a more understandable easier to read text and one that would encourage them and other young people to read the Word of God Many Biblical versions were considered in the interpretation of this version in which the starting point was the original King James Version Other versions considered were the New King James Version the Good News Bible the Living Bible the American Standard Version the Revised Standard Version and others along with a study of many of the original Hebrew words from the Strong s Concordance and Dictionary The main departure from these common versions is the use of the proper Name of God which is now commonly understood to be Yahweh *God Didn't Do It* Troy J. Edwards,2019-02-03 We hear the religious clich s quite often God is in control God took my child God s ways are mysterious His wonders to perform and other statements attributing life s hardships to God God has been falsely accused of doing things that He actually hates In this short book we use the Bible God s own written Word to set the record straight concerning His involvement in the harsh realities of life When you have finished reading this book you will no longer blame God for the difficulties you encounter and you will be able to point others to a loving kind God who is for us and not against us *The Permissive Sense* Troy J. Edwards,2017-12-29 One does not have to read too far into the Bible to find that it says the following about Him God hardened people s hearts God put lying spirits in the mouth of false prophets God personally deceived prophets God Blinded people to the truth God inflicted sickness God sent natural disasters God moved people to sin God tempted men God intentionally gave men unrighteous laws God created evil And even more Such statements have presented insurmountable difficulties to Bible readers Failure to understand them properly have led to doctrines that paint God in less than a favorable light However when we understand the permissive sense most difficulties with such verses will disappear This book will help you understand this important principle and will remove all doubt about God s love goodness and holiness **Astounded by His Love a Discipleship Guide for Jesus' Bride** Mary Somerville,2024-06-04 You will be astounded by the love of Jesus Christ in this discipleship guide It covers topics from your initial marriage to your Bridegroom to finding your identity in Him to worshipping Him to living your life in the light of His grace and to sharing the Good News with others All is presented against the backdrop of the author s over 50 year marriage to her husband Bob These truths are the product of their teaching ministry over a lifetime You will be greatly edified and find real joy as you dig deeply into the Scriptures in this study and hopefully your life will more and more reflect your Bridegroom Jesus Christ **The Problem of God, Yesterday and Today** John Courtney Murray,1964-01-01 In an urbane and persuasive tract for our time the distinguished Catholic theologian combines a comprehensive metaphysics with a sensitivity to contemporary existentialist thought Father Murray traces the problem of

God from its origins in the Old Testament through its development in the Christian Fathers and the definitive statement by Aquinas to its denial by modern materialism. Students and nonspecialist intellectuals may both benefit by the book which illuminates the problem of development of doctrine that is now even more than in the days of Newman a fundamental issue between Roman Catholic and Protestant theologians and nonspecialist intellectuals alike will find the subject of vital interest. As a challenge to the ecumenical dialogue the question is raised whether in the course of its development through different phases the problem of God has come back to its original position. Father Murray is Ordinary professor of theology at Woodstock College Woodstock Maryland. St Thomas More Lectures 1. A gem of a book lucid illuminating brilliantly written. A fine contribution to the current Catholic theological renaissance. Paul Weiss

**Old Testament Quotations in the New Testament** Gleason L. Archer, Gregory Chirichigno, 2005-01-26 New Testament writers drew heavily from Old Testament Scriptures as the demonstrated the fulfillment of the plan and promises of God in Christ. The New Testament is filled with such quotations but their use raises several problems. How do we account for the occasions when the New Testament writers seem to take liberties with the Hebrew text or when the wording of other New Testament citations of the Old Testament is closer to the Greek Septuagint LXX than to the original Hebrew. The authors have undertaken a systematic study of the use of Old Testament quotations in the New Testament. In three parallel columns for ready reference and study they have affixed the Masoretic Hebrew Septuagint and Greek New Testament texts pertinent to each quotation. A fourth column the largest segment of the valuable language tool provides a critical commentary of orthographic linguistic and textual notes on the 312 entries. In addition the authors include the results of a statistical survey in which every quotation is assigned to one of six levels to determine its degree of difficulty regarding the faithfulness of the New Testament to the Old Testament quotation. Helpful introductory material including complete cross references to the tool in both Old and New Testament order make the work invaluable to scholars and students alike.
