IMPORTANT NOTICE

This manual has been provided for the use of authorized Yamaha Dealers and their service personnel. It has been assumed that basic service procedures, referring to the industry, and more specifically Yamaha Products, are already known and understood by the user, and that this manual will be helpful.

WARNING: Failure to follow safety-related advice and safety procedures when servicing this product may result in personal injury, destruction of expensive components and failure of the product or failure to identify. For these reasons, all repair of Yamaha products must be performed by an authorized Yamaha Dealer or an authorized service representative.

IMPORTANT: The provisions in this manual to any individual or firm does not constitute authorization, certification, recognition of any applicable technical capabilities, or establish a personal agent relationship of any kind.

The data provided is believed to be accurate and applicable to the model indicated on the cover. The contents, design, and service procedures of Yamaha are constantly changing. Yamaha products, modifications, and changes in specifications are subject to change without notice or obligation to reprint. Should any discrepancy appear in this manual, please contact the distributor's Service Service.

WARNING: Static discharge can destroy electronic components. Discharge any static electricity immediately by touching a grounding object to the ground outside the unit before touch board, which connect to this board.

IMPORTANT: Turn the unit OFF during disassembly and parts replacement. Replace all parts before connecting power to the unit.
