A Beginner's Guide to Tunisian Crochet John Davidson,Dueep Singh,2014-12-22 A Beginner s Guide to Tunisian Crochet Table of Contents Introduction Crochet Tips For beginners Basic information about crochet How to Hold a Crochet Needle Starting to Crochet Chain stitch Double Stitch and Turning Crochet Stitch Symbols Abbreviations for Crochet Terms Making a Tunisian Needle Hook Introduction to Tunisian Crochet Starting on Tunisian Crochet Easy Tunisian Crochet Scarf Run Out Of Yarn Conclusion Author Bio Publisher Introduction One of the most popular traditional creative art forms apart from weaving knitting or knotted work is crochet In Victorian times women used to spend hours making crochet covers to cover every visible surface including furniture and furnishings This is of course apart from the dresses scarfs shoes doilies purses pillow covers and anything else of which you could think made by just one hook and some sturdy colorful thread Well these

women did not have much else with which to occupy their time and they were just practicing an art which has been around for millennia. Nobody really knows where crochet originated although people in the East have been practicing it to make delicate patterned items for millennia. That is why this book is going to tell you about Tunisian crochet. Crochet came to the West especially to Europe in around the 16th century when the demand for delicate lace like items made women switch to this technique. But I have a feeling that this technique was brought to Europe much before this by the Crusaders coming back from the East and it was only in the 16th century that the nuns of France, Spain and Italy began to concentrate more on this technique to produce things of beauty. Lace crochet is still very popular today and the art is applied to making handkerchiefs and table linen. Even more popular today is crochet using heavy and soft and fine wool to make articles of clothing and even things for your living room. I would call them dust catchers but they last and last. So is it a surprise that time and again old lace patterns serve to stimulate ideas for producing beautiful items which have been inspired by some creative person who decided to pick up a crochet hook and some thread and found a magical new creative technique. Tunisian crochet and adapting it for making beautiful creations with one knitting needle made into a hook is my contribution to this age old technique which was going out of vogue. So you can consider this book to be a salute to Tunisian crochet which is going to be a boon for all those people who just hate knitting but want to knit sweaters, scarves and other items without the botheration of two needles. Tunisian crochet is also known as Afghan crochet and is considered to be a mixture of crochet and knitting. Ladies normally made a number of shapes on their hooks and when they had made 50 or so squares of the same size they stitched them together to make huge shawls and wraparounds. These are the so popular Afghans which you wear today. So if you are crocheting squares with a crochet needle intending to join the strips together with cross stitches to make an afghan, try making it in Tunisian crochet.

Tunisian Crochet Gaelle Cassin, 2021-01-22. If you're a knitter and thinking about an easy way to try your hand at crochet, Tunisian crochet may be exactly what you're looking to try. Tunisian crochet is a slight variation of traditional crochet, almost a mix of crochet and knitting. It involves a special long crochet hook and it uses multiple stitches on the hook at once. The result is a beautiful woven looking design that's generally thick and luxurious to the touch. We've tracked down these fun and easy Tunisian crochet projects to help get you started. Give this fun new crochet technique a try today.

Tunisian Crochet Handbook Dr Natasha David, 2021-08-19. This amazing book is filled with step by step photos and instructions to create stitch square blocks with beautiful graphic designs. The basic differences between regular Tunisian and Tunisian in the Round (TITR) are that the stitches are picked up on the forward pass and worked off on the return pass differently. Regular Tunisian crochet uses 1 hook, 1 ball of yarn and the work is never turned. TITR uses 2 connected hooks, 2 ball of yarn and the work is turned. With Regular Tunisian the forward and return pass are worked on the right side facing and with TITR the forward pass is worked on the right side and the return pass on the wrong side. The book includes an 11 Step Photo Tutorial for Tunisian in the Round and sections that explain how to read stitch charts for TITR plus
