1. Terry: I love going out with my friends. Terry: He always pays for everybody. He just enjoys spending money! He's so different from his brother. That's my dad of course! The only problem with Harry is that he can be rather impolite. He isn't very polite and doesn't wait before he speaks. The other day he really upset my dad when he told him he was mean.
 2. Julie: My mum's amazing, really. She never loses her temper, she just stays really calm. She's got four children. Mine, my brother and my two sisters and that's all who do things but my sister, before we actually do them - but she doesn't get angry. She also works full time at the supermarket and doesn't get home till 10 o'clock. I don't know how she fits it all in. She never stops?
 3. Maria: My sister and I have completely different personalities. I like meeting new people and am happy to chat to people. I don't know - at parties, for example. But Sonia's a bit nervous in situations like that. She waits for people to come to her. But when she gets to know you and starts talking she really makes you laugh.
 4. Teresa: We're twins, but we aren't identical. We don't look alike, and our personalities aren't alike, either. For example, I don't say very much, normally I'm fairly quiet. Louise is the complete opposite. She never stops! But she doesn't talk about herself. Just to me - for example she got fantastic marks in her exams but you never hear her talking about it.
