Sometimes A Great Notion

Raymond D. Gastil, Barnett Singer

Sometimes A Great Notion:

Sometimes a Great Notion Ken Kesey, 2006-08-29 The magnificent second novel from the legendary author of *One Flew Over the Cuckoo's Nest* Following the astonishing success of his first novel *One Flew Over the Cuckoo's Nest* Ken Kesey wrote what Charles Bowden calls one of the few essential books written by an American in the last half century This wild spirited tale tells of a bitter strike that rages through a small lumber town along the Oregon coast Bucking that strike out of sheer cussedness are the Stampers Out of the Stamper family's rivalries and betrayals Ken Kesey has crafted a novel with the mythic impact of Greek tragedy For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Sometimes a Great Notion Ken Kesey, 2006-08-29 The magnificent second novel from the legendary author of *One Flew Over the Cuckoo's Nest* and *Sailor Song* is a wild spirited and hugely powerful tale of an Oregon logging clan A bitter strike is raging in a small lumber town along the Oregon coast Bucking that strike out of sheer cussedness are the Stampers Henry the fiercely vital and overpowering patriarch Hank the son who has spent his life trying to live up to his father and Viv who fell in love with Hank's exuberant machismo but now finds it wearing thin And then there is Leland Henry's bookish younger son who returns to his family on a mission of vengeance and finds himself fulfilling it in ways he never imagined Out of the Stamper family's rivalries and betrayals Ken Kesey crafted a novel with the mythic impact of Greek tragedy

The Essential HBO Reader Gary Richard Edgerton, Jeffrey P. Jones, 2008-01-01 This is a comprehensive and compelling examination of HBO one of cable television's most innovative and popular US TV networks

The Evolution of the Western Martin Kich, 2024-09-05 Explore the enduring influence of the Western the quintessential American film genre and its essential role in US and world culture Follow the entire history of the Western from its roots in the pulp novels of the early 20th century through the serials of the silent era and the mid century classics of John Ford and John Wayne to the recent award winning revisionist works like *Unforgiven* and *No Country for Old Men* that provide a more complex and nuanced take on history of the West Perhaps more than any other pop culture genre the Western allows us to view how Americans have seen themselves over the last 150 years Build a foundational understanding of the genre with 5 introductory essays exploring the development of the Western Mythos in the traditional Western the heyday of the traditional Western in the post WWII period revisionist Westerns and the counterculture race and identify and the Western outside of the USA Close to 100 encyclopedia entries examine one or more movies or television programs and show how their creation and plots demonstrate the overall evolution of the genre Easily compare films and TV programs from early genre favorites such as *Gunsmoke* to more recent releases like *Django Unchained* with essential facts boxes accompanying each entry with

information on the director studio key actors and box office receipts **Radical History Review: Volume 59** Marjorie Murphy, 1994-10-27 This issue examines Latin American labour and includes coverage of topics such as the organization amongst San Marcos coffee workers during Guatemala's National Revolution 1944-1954 the myth of the history of Chile the Araucanians and the representation of class and populism in Sao Paulo **It's All a Kind of Magic** Rick Dodgson, 2013-11-12 The first biography of Kesey revealing a youthful life of brilliance and eccentricity that encompassed wrestling writing farming magic and ventriloquism CIA funded experiments with hallucinatory drugs and a notable cast of characters that would come to include Wallace Stegner Larry McMurtry Tom Wolfe Neal Cassady Timothy Leary the Grateful Dead and Hunter S Thompson Dust jacket flap **Out of Context** Michaela Bronstein, 2018-04-03 How do novels travel through time How might they endure in a changing world and reach the readers of an unknowable future Modernist writers were eager to think of their books as reaching audiences they could not yet imagine In recent years however scholars of modernism have focused on pinning them down putting these books in their context and these authors in their place By looking to the future scholars fear that looking to the future will make literature disengaged irresponsible or apolitical the worry is that literature cannot escape its own moment without also evading the hard truths of history Out of Context suggests an alternative to this scholarship proposing that literature travels through time not by transcending history but by adapting to historical change The chapters of this book each pair a modernist author with a later reader In each case this future reader is also a novelist someone who reads with an eye to form and craft and who puts what they see to new use in their own novels James Baldwin adapts Henry James's modes of characterization Ngugi wa Thiong'o repurposes Joseph Conrad's nonchronological narratives and Ken Kesey builds on William Faulkner's use of multiple perspectives Reading the modernists through these authors' eyes offers a different perspective on them Literary forms in this history do not have intrinsic political meanings they have a multitude of political uses Rather than see modernist literary form in all its fragmentation and complexity as a source of disruption and doubt these later authors use modernist forms to distill doubts into conviction The experiments of modernist fiction stand revealed as tools not of political critique but of political commitment *The Hippie Narrative* Scott MacFarlane, 2015-01-24 The Hippie movement of the 1960s helped change modern societal attitudes toward ethnic and cultural diversity environmental accountability spiritual expressiveness and the justification of war With roots in the Beat literary movement of the late 1950s the hippie perspective also advocated a bohemian lifestyle which expressed distaste for hypocrisy and materialism yet did so without the dark somewhat forced undertones of their predecessors This cultural revaluation which developed as a direct response to the dark days of World War II created a counterculture which came to be at the epicenter of an American societal debate and ultimately saw the beginnings of postmodernism Focusing on 1962 through 1976 this book takes a constructivist look at the hippie era's key works of prose which in turn may be viewed as the literary canon of the counterculture It examines the ways in which these

works with their tendency toward whimsy and spontaneity are genuinely reflective of the period Arranged chronologically the discussed works function as a lens for viewing the period as a whole providing a more rounded sense of the hippie Zeitgeist that shaped and inspired the period Among the 15 works represented are *One Flew Over the Cuckoo's Nest* *The Crying of Lot 49* *Trout Fishing in America* *Siddhartha* *Stranger in a Strange Land* *Slaughterhouse Five* and *The Fan Man* *Acid Christ* Mark Christensen, 2010 From the literary wonder boy to the countercultural guru whose cross country bus trip inspired *The Electric Kool Aid Acid Test* this candid biography chronicles the life and times of cultural icon Ken Kesey from the 1960s through the 1980s Presenting an incisive analysis of the author who described himself as too young to be a beatnik and too old to be a hippie this account conducts a mesmerizing journey from the perspective of Mark Christensen an eventual member of the Kesey flock Featuring interviews with those within his inner circle this exploration reveals the bestselling author of *One Flew Over the Cuckoo's Nest* in his many forms placing him within the framework of his time his generation and the zeitgeist of the psychedelic era

The Far Corner John Daniel, 2009-03-02 John Daniel writes from the ground he walks on and the landscape he inhabits in the northwest corner of America spinning narratives that seek to discover how he belongs to the land and to the wholeness of life itself He takes his readers to beaches old growth forests sagebrush steppe lands and deep river canyons wild places and places scarred by human exploitation and leads us too through inner terrains where he explores mortality creativity and spirituality Both lyrical and informative these essays are diverse in focus various in length and inventive in form one is constructed as a journal two as linear montages By turns playful awed cantankerous and tender in tone they deliver themselves in a style of high informality welcoming readers to join the author as he journeys through some of the puzzlements sadnesses and small glories of living This collection extends John Daniel's earlier work *The Trail Home* in the personal essay form

Journal of the National Cancer Institute, 2005 *American Literature on Stage and Screen* Thomas S. Hirschak, 2014-01-10 The 525 notable works of 19th and 20th century American fiction in this reference book have many stage movie television and video adaptations Each literary work is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium In addition to famous novels and short stories by authors such as Nathaniel Hawthorne F Scott Fitzgerald and Willa Cather many bestsellers mysteries children's books young adult books horror novels science fiction detective stories and sensational potboilers from the past two centuries are examined

[The Literary Filmography](#) Leonard Mustazza, 2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens's *A Christmas Carol* and Hawthorne's *The Scarlet Letter* were adapted to film in the silent era as were such books as Thomas Dixon's Jr's *The Klansman* basis for the film *Birth of a Nation* In recent years Nick Hornsby's *About a Boy* and each of Helen Fielding's *Bridget Jones's Diary* novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as

theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work s title author year of first publication literary prizes and a brief plot summary Information on film adaptation s of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered **The**

Insider Gerald Howard,2025-11-04 A delightful and majestic reckoning with the ascent of American fiction in the twentieth century through the prism of the under known man who had an astonishing amount to do with it Malcolm Cowley is not a household name today but the American literary canon would look very different without him A prototypical man of letters of his generation Harvard University a volunteer in the French ambulance corps in World War I a rite of passage in Paris after the war he became one of the few truly influential critics of the 1920s and 30s along with his close New Republic colleague Edmund Wilson Cowley s early support of Hemingway Fitzgerald and their set and indeed for framing this group in generational terms in the first place secured his place in literary history Most people are lucky to be part of a single game changing era in their careers for Cowley it happened again and again After emerging from the political fray of the thirties badly damaged he retreated behind the scenes as a tastemaker whose import has awaited Gerald Howard to be brought into full view The process of canon formation is a murky business and Cowley was a prime mover in it for the better part of four decades through the Lost Generation the Beat Generation and the counterculture of the sixties Without him the odds would be much longer that the names William Faulkner Jack Kerouac and Ken Kesey to name just three would have ever echoed In *The Insider* Gerald Howard gives an intimate accounting of the fever graph of a fascinating and multifaceted career in the literary trade that uses that career to tell a much bigger story of how American literature took the course that it did from the 1920s to the 1960s It s a story of an art form and an industry and a country experiencing wrenching change and the people who made a home in the storm and in no small part shaped it Howard s own career as a literary weathermaker is justly acclaimed and he has brought all his talents of head and heart to bear in crafting this extraordinary book It s a gift to booklovers and a major contribution to the cultural history of this country *The Pacific Northwest* Raymond D.

Gastil,Barnett Singer,2010-04-23 *The Pacific Northwest* for the purposes of this book mostly Oregon and Washington has sometimes been seen as lacking significant cultural history Home to idyllic environmental wonders the region has been plagued by the notion that the best and brightest often left in search of greater things that the mainstream world was thousands of miles away or at least as far south as California This book describes the Pacific Northwest s search for a regional identity from the first Indian European contacts through the late twentieth century identifying those individuals and groups who at least struggled to give meaning to the Northwest experience It places particular emphasis on writers and other celebrated individuals in the arts detailing how their lives and works both reflected the region and also enhanced its

sense of self **The American West and Its Interpreters** Richard W. Etulain,2023-05 Distinguished historian Richard W Etulain brings together a generous selection of essays from his sixty year career as a specialist on the US West in this essential volume Each essay provides an invaluable overview of the rise of western literary history and historiography including insightful evaluations of individual historians revealing summaries of regional literature and discussions of western stories yet to be told Together these writings furnish readers with useful considerations of important subjects about the American West All those interested in the American West and its interpreters will find these illuminative moments of literary history and historiography especially appealing **Power Pro Man** Bill Rompa,2024-11-06 The book follows a young US Air Force enlisted Airman from 1965 to 1969 through basic training technical school and to his assignments supplying electricity to remote radar and communications bases in SE Asia The Philippines Viet Nam Oregon and North Dakota with mobile and stationary electrical generators In addition personal stories including places visited people met and relationships developed are described some humorous some sad some loving and some dangerous [The Complete Annotated Grateful Dead Lyrics](#) David G. Dodd,Alan Trist,2015-10-13 Additional edition statement from dust jacket **New York Magazine** ,1972-03-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Demon Box** Ken Kesey,1987-08-04 In this collection of short stories Ken Kesey challenges public and private demons with a wrestler s brave and deceptive embrace making it clear that the energy of madness must live on
