Boyko,Anonymous,2025-06-06 We are proud to present the next book of a 20 volume edition of classics of the erotic genre published before World War II A total of 104 titles are included most of them from the pen of authors who for obvious reasons wished to conceal their real names This approach on the other hand allowed them to give free reins to their unbridled imagination and go wild so that the eroticism in their works is at times over the top remaining the benchmark for the authors of contemporary obscene books Just do not try to repeat the described feats at home Well not all of them We ve warned you Autobiography of a Flea by Anonymous Stanislas de Rhodes Julie by Anonymous Maude Cameron and Her Guardian by Anonymous **Naked for the Mistress** Alex Jordaine,2010-09-19 Peter has never been able to accept his deep need to be sexually dominated but that s about to change with a vengeance His wife Christine and her new friend Claudia a highly experienced dominatrix hatch a plan to out Peter and his kinky desires While Christine will learn the art of erotic domination from Claudia s husband Simon Peter will be coerced into spending time in Claudia s dungeon where he ll be forced to learn his place at the feet of a dominant female Claudia soon turns Peter into her bitch making him ready and willing to take hard strap on sex and all the brutal punishment she can dish out Claudia returns Peter to his wife who enjoys putting him through

his paces in her fitting new role as his Mistress But Christine is looking for something even more than this and finds it in the person of a beautiful young woman called Liz Christine helps bring to the fore Liz s previously sublimated sadism and the two become lovers sharing ownership of Peter now the naked slave to them both Then who should stumble into this sadomasochistic ménage à trois but Liz s philandering ex husband Sam He s now a changed man and begs Liz to let him into her life again Sam says he wants to be a naked slave to her and Christine just like Peter The two women subject Sam to a series of increasingly sadistic tests to establish whether he is worthy to take his place at their feet Peter had become a new man when he became a sex slave But the two formidable dommes require something perversely thrillingly different from Sam Alex Jordaine is the UK s leading Femdom writer and has also been widely published in the US **Bad Brats Love First**

Sex Work Today by Bernadette Barton, Barbara G. Brents, Angela Jones, 2024-11-19. A cutting edge volume on current trends in sex work from sugar relationships and cyber brothels to financial domination, sex worker activism and feminist porn. Sex is for sale in more ways than ever. It can be bought and sold online in sex clubs on the street and around the world. As with many industries, discrimination, exploitation and inequality persist in sex work. Yet it also offers autonomy, job satisfaction and even pleasurable experiences for those involved. *Sex Work Today* explores these contradictions, offering an intimate look at the benefits and challenges of sex work across geographic contexts. Featuring thirty one original essays by sex workers, advocates, researchers and activists, *Sex Work Today* is the first compilation of research on new forms of digital sex such as camming, sugar dating and AI sex dolls. Providing a lens to understand contemporary labor dynamics and the nature of sex work itself, this collection captures formerly ignored aspects of the sex industry including fatphobia and disability, transmasculine and nonbinary sex workers, racialized emotional labor in the digital sex industry, high job satisfaction among professional dominatrices and sex worker scholars. With federal policies ostensibly aimed at combating sex trafficking affecting all sex workers, understanding this industry is more vital than ever. Decentering Western white cisgender voices, *Sex Work Today* underscores the global repercussions of these misaligned policies which make sex work more challenging and less safe and provides valuable insights for those seeking to shape policies, challenge prejudices and foster a safer and more equitable world for all.
