Something S Wrong When Doctors Don T Have The Answer:

When Something's Wrong Christina Caskey, 2011-03 When Christina Caskey's health took a dramatic and sudden turn for the worse in 2003 she found herself in a medical nightmare afflicted with a debilitating illness that no nearby doctor could diagnose Refusing to give up she sought help online and from doctors across the country This book is a result of her struggles and contains what she has learned while trying to get the medical care she needs Christina has written this book to help you Get the most out of your doctor's visits Manage your medications Organize your medical records and insurance papers Correspond with your insurance company or companies in the event of a problem or denial Find useful health information online for either a known or unknown diagnosis Learn travel tips for out of town doctor visits Make the best of your hospital stays Be proactive about your medical care The book provides tables and forms to help you summarize your health problems develop questions for effective doctor's appointments keep track of your symptoms labs and medications and record your medical provider and insurance company's contact information If you see a doctor regularly or are trying to find the right doctor this book will help you get more out of your medical care than you ever dreamed possible Christina Caskey lives in Flagstaff Arizona with her husband Robert She is the mother of four grown children Christina was shocked by how little is known medically about conditions like hers and now dedicates her time and energy to helping others who battle mysterious illnesses To this end all proceeds from the sale of this book will be used for research and treatment in the field of Infection Associated Chronic Fatigue Syndrome Visit Christina's website at www.whensomethingswrong.com

Something's Wrong Laurie Penner, 2014-10-24 What single disease is like having arthritis heart failure dementia fibromyalgia chronic fatigue a bacterial infection and a thyroid disorder all at the same time Or was I suffering from several of the above Struggling through eight months of health issues that three doctors couldn't decipher I knew something was wrong with me but there were no positive tests to prove it Travel with me through my mysterious array of symptoms some as humorous as they are deadly in my search for the correct diagnosis After months of doctors labs and physical therapy visits I had nothing left to go on but my faith compassionate friends and what was left of my mental abilities to search online for some disorder that sounded right At last a friend steered me toward a specialist that could help me before I mentally slipped off into a place where I could no longer help myself

Pearls for My Birthday Judith Harris, 1999-12 The strand of pearls Janie's mother gave her for her birthday represents the story recounted in Pearls For My Birthday The thread running through the pearls symbolizes the life journey she took while she cared for her mother who had lung cancer The pearls are symbolic of the episodes in a daughter's struggle to keep her mom alive against medical odds Anecdotes related by Janie's mother's

friends punctuate the book Their wise tales put a knot of hope between each iridescent pearl Janie clung to as she was pulled to a new understanding Pearls For My Birthday is about love compassion and forgiveness between a mother and a daughter whose roles are often reversed during that four months Janie s mother revisited her life story filled with passion her fears and the aspirations of her youth She revealed her best times and her worst times her weaknesses and her strengths Eventually with her mother s guidance Janie accepted her mom was dying Not morbid or maudline this is a celebration of life
