

FOREWORD

This manual contains an introductory description on the SUZUKI ADDRESS and procedures for its inspection and overhaul of its main components. Other information considered as generally known is not included.

Read the GENERAL INFORMATION section to become acquainted with the motorcycle and its maintenance. Use this section as well as other sections to serve as a guide for proper inspection and service. This manual will help you serve the motorcycle better so that you can assure your customers of fast and proper service.

- * This manual has been prepared on the basis of the latest specifications of the latest publication. If modifications have been made after this, differences may exist between the content of this manual and the actual motorcycle.
- * Illustrations in this manual are used to show the basic principles of operation and work procedures. They may not represent the actual motorcycle exactly in detail.
- * This manual is written for persons who have enough knowledge, skills and tools, including special tools, for servicing SUZUKI motorcycles. If you do not have the proper knowledge and tools, ask your authorized SUZUKI motorcycle dealer to help you.

Warnings

Unexperienced mechanics or mechanics without the proper tools and equipment may not be able to properly perform the services described in this manual.

Improper repair may result in injury to the mechanics and may render the motorcycle unsafe for the rider and passengers.
