Student Payroll Supervisor Introduction

This guide provides basic steps the supervisor performs in their portion of the web based Student eTime application.

At the end of each pay period the Student Payroll Supervisor web application located on Employee Home will be used to review and approve the time worked records for the student employees they supervise.

Security

Student Payroll Supervisor: no security web role is needed. If the supervisor is assigned on the work authorization then they will have access to the supervisor application and functions.

Off-campus Supervisor not an employee of the college/university – not all schools have them: no security web role is needed. If they are assigned as a supervisor on a work authorization then they will have access to the supervisor application and functions through a URL separate from Employee Home.

Access

Student Payroll Supervisor: can access the web administrative application via [ISRS Employee Home](#) > Employee Applications > Student Payroll Supervisor.
