To determine model and year of manufacture of Suzuki outboard motors, refer to numbers located on motor clamp bracket. The first six characters indicate the model and second six characters are motor serial number. The first character of serial number indicates year of manufacture. The years 1977, 1978 and 1979 are identified by the letters "C," "D" and "F" respectively. Starting with 1980, the first number in serial number corresponds with model year. For example, if first number in serial number is 1, model year is 1981.

,2009 *Biblical Corpora* Rebecca Raphael,2009-05-15 The book is organized by genre of biblical literature First the priestly literature articulates a binary concept of disability as impure and passive i e as other to the pure holy and active By contrast in the prophetic literature and the Psalms images of disability structure communication among God prophets leaders and people Here disability does not simply mean impurity its valuation depends on its possessor Wisdom literature and narrative present figures e g Job Mephibosheth whose innate or acquired disabilities are nevertheless placed and not simply

as impurities within cosmic and social order Although priestly literature seems anomalous all strata of biblical literature use disability imagery not primarily to represent disabled persons but mainly to represent the power of Israel's God Physical norms and disability thus play a pervasive and previously neglected role in biblical categories of holy unholy pure impure election rejection and God idols This book provides a literary critical method focused on representation in the canonical form of the text allows a comprehensive view of how images of disability operate in relation to major concepts and also provides a foundation for studies in the history of interpretation All discussion of biblical passages and books draw on existing historical studies as a necessary precondition for understanding

Northern California and Japan to speak on various aspects of Snyder's great accomplishment. This book captures the excitement of these gatherings and invites readers to enter the poem through essays and talks by David Abram, Wendell Berry, Carl Bielefeldt, Tim Dean, Jim Dodge, Robert Hass, Stephanie Kaza, Julia Martin, Michael McClure, Nanao Sakaki, and Katsunori Yamazato. It includes an interview with Gary Snyder, appendices, and other resources for further study. Snyder once introduced a reading of this work with reference to whitewater rapids, saying most of his writing is like a Class III run where you will do just fine on your own but that *Mountains and Rivers* is more like Class V if you're going to make it to take out; you need a guide. As a collection of commentaries and background readings, this companion volume enhances each reader's ability to find their way into and through an adventurous and engaging work of art.

Semantic Polarities and Psychopathologies in the Family Valeria Ugazio, 2013-08-21 The gap between psychotherapeutic practice and clinical theory is ever widening. Therapists still don't know what role interpersonal relations play in the development of the most common psychopathologies. Valeria Ugazio bridges this gap by examining phobias, obsessive compulsions, eating disorders, and depression in the context of the family using an intersubjective approach to personality. Her concept of semantic polarities gives a groundbreaking perspective to the construction of meaning in the family and other interpersonal contexts. At no point is theory left in the wasteland of abstraction. The concreteness of the many case studies recounted and examples taken from well-known novels will allow readers to immediately connect the topics discussed with their own experience.
