Spoof on Titan HOUNORI,2016 *Fake Physics: Spoofs, Hoaxes and Fictitious Science* Andrew May,2019-04-12

People are used to seeing fake physics in science fiction concepts like faster than light travel antigravity and time travel to name a few The fiction label ought to be a giveaway but some SF writers especially those with a background in professional science are so adept at technobabble that it can be difficult to work out what is fake and what is real To confuse matters further Isaac Asimov's 1948 piece about the fictitious time travelling substance thiotimoline was written not as a short story but in the form of a spoof research paper The boundaries between fact and fiction can also be blurred by physicists themselves sometimes unintentionally sometimes with tongue in cheek sometimes to satirize perceived weaknesses in research practices Examples range from hoaxes aimed at exposing poor editorial standards in academic publications through thought experiments that sound like the plot of a sci fi movie to April Fools jokes Even the latter may carry a serious message whether about the sociology of science or poking fun at legitimate but far out scientific hypotheses This entertaining book is a joyous romp exploring the whole spectrum of fake physics from science to fiction and back again *Parodies of the Works of English & American Authors* ,1884 Includes parodies of Tennyson Longfellow Bret Harte Thomas Hood Swinburne Browning Shakespeare Milton Poe Shelley Cowper Coleridge Herrick Carroll Lever Lover Burns Scott Goldsmith Kingsley Byron and many others *Spoof Surface Plasmon Polaritons Antenna* Junping Geng,Chaofan Ren,Kun Wang,Han Zhou,Jing Zhang,2021-09-30 This book investigates in detail some new spoof surface plasmon polaritons SSPPs structures and their applications to antenna It introduces the working principle and radiation characteristics of directional antenna omnidirectional antenna reconfigurable antenna and phase mode antenna based on SSPPs structure Especially the irregular SSPPs structure such as T shaped and m shaped SSPPs structures is introduced to low profile end fire antenna with vertical polarization the rotated SSPPs structure is applied to CP end fire antenna and omnidirectional antenna PIN circuit combining with SSPPs structure is used to pattern reconfigurable antenna the novel phase mode SSPPs antennas with multi modes are performed too This book proposes a continuous method to develop the potentialities of the SSPPs antenna And the readers can study the method or ideas of the SSPPs antenna even graft the methods to other SSPPs antenna The book is intended for undergraduate and graduate students who are interested in SSPPs antenna technology researchers investigating high performance antenna and antenna design engineers working on multi function antenna applications **Parodies of the Works of English & American Authors** ,1889 Includes parodies of Tennyson Longfellow Bret Harte Thomas Hood Swinburne Browning Shakespeare Milton Poe Shelley Cowper Coleridge Herrick Carroll Lever Lover Burns Scott Goldsmith Kingsley Byron and many others **101 Dialogues, Sketches and Skits** Paul Rooyackers,Bor Rooyackers,Liesbeth Mende,2014-12-01 Originally written for drama teachers working with students aged 9 to 18 this collection of short snappy theater dialogues makes the perfect short break activity in any classroom camp or youth group situation Students get much

more out of these dialogues than just acting practice they increase alertness cultivate curiosity boost literacy and improve school attendance The one to one dialogue format facilitates friendships and allows shy students to demonstrate new skills Written by a family of drama experts each dialogue centers around a theme related to young life food parents hobbies movies even falling in love to name just a few Each dialogue is introduced with brief notes suggesting different ways of playing them at different ages and tips for adapting the dialogues to different age groups and situations 101 Dialogues Sketches and Skits is part of the SmartFun Activity series from Hunter House which includes over 25 titles that have sold more than 200 000 copies to date

Parodies of the Romantic Age Vol 5 Graeme Stones, John Strachan, 2020-04-29 This volume collects together a wealth of material ranging from verse parodies originally published in pamphlet form to longer works such as P G Patmore s parodies of the works of Byron Lamb and Hazlitt

Hacking Multifactor Authentication Roger A. Grimes, 2020-10-27 Protect your organization from scandalously easy to hack MFA security solutions Multi Factor Authentication MFA is spreading like wildfire across digital environments However hundreds of millions of dollars have been stolen from MFA protected online accounts How Most people who use multifactor authentication MFA have been told that it is far less hackable than other types of authentication or even that it is unhackable You might be shocked to learn that all MFA solutions are actually easy to hack That s right there is no perfectly safe MFA solution In fact most can be hacked at least five different ways Hacking Multifactor Authentication will show you how MFA works behind the scenes and how poorly linked multi step authentication steps allows MFA to be hacked and compromised This book covers over two dozen ways that various MFA solutions can be hacked including the methods and defenses common to all MFA solutions You ll learn about the various types of MFA solutions their strengths and weaknesses and how to pick the best most defensible MFA solution for your or your customers needs Finally this book reveals a simple method for quickly evaluating your existing MFA solutions If using or developing a secure MFA solution is important to you you need this book Learn how different types of multifactor authentication work behind the scenes See how easy it is to hack MFA security solutions no matter how secure they seem Identify the strengths and weaknesses in your or your customers existing MFA security and how to mitigate Author Roger Grimes is an internationally known security expert whose work on hacking MFA has generated significant buzz in the security world Read this book to learn what decisions and preparations your organization needs to take to prevent losses from MFA hacking

No Kids Allowed Michelle Ann Abate, 2020-10-13 Children s literature isn t just for children anymore This original study explores the varied forms and roles of children s literature when it s written for adults What do Adam Mansbach s Go the F k to Sleep and Barbara Park s MA There s Nothing to Do Here have in common These large format

picture books are decidedly intended for parents rather than children In *No Kids Allowed* Michelle Ann Abate examines a constellation of books that form a paradoxical new genre children s literature for adults Distinguishing these books from YA and middle grade fiction that appeals to adult readers Abate argues that there is something unique about this phenomenon Principally defined by its form and audience children s literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive

Opera Parody Songs of Blackface Minstrels (1844-1860) Renee Lapp Norris, During the American antebellum period minstrelsy was a ubiquitous form of theatrical entertainment Typically performed by white men in blackface makeup minstrelsy was based in oppressive misrepresentation of people of color and it created enduring stereotypes Beginning in the mid 1840s minstrels burlesqued various types of popular non blackface entertainments including Shakespeare s plays touring European concert musicians and opera which often was performed in the United States in English language adaptations Minstrels burlesques were advertised on playbills and mentioned in the press but there are few sources for their actual music and lyrics The thirty eight pieces of this edition survive as complete discrete songs published as musical sources Minstrels opera parody songs typically recast operatic characters as slaves who are happy childishly reliant on their paternalistic masters and primitively agrarian Such portrayals supported the so called happy darkey caricature that was central to mid century political ideology Minstrels used this imagery to parody up and down social hierarchies exploiting people of color and debasing opera s ostensibly elevated aesthetics Alongside minstrelsy s racial politics the parodies demonstrate creative musical adaptation Each of the thirty eight songs parodies opera differently suggesting minstrels inventiveness The songs are rare and specific examples of the widespread practice of inter genre borrowing and musical arrangement that was fundamental to minstrelsy Content Warning The scores in this edition are intended for research rather than performance Performance of these scores is discouraged The original song titles and lyrics in this edition are evidence of and tools for racial oppression and are maintained here to present an accurate and reliable account of minstrelsy

News Parody and Political Satire Across the Globe Geoffrey Baym, Jeffrey P. Jones, 2013-09-13 In recent years the US fake news program *The Daily Show* with Jon Stewart has become a surprisingly important source of information conversation and commentary about public affairs Perhaps more surprisingly so called fake news is now a truly global phenomenon with various forms of news parody and political satire programming appearing throughout the world This collection of innovative chapters takes a close and critical look at global news parody from a wide range of countries including the USA and the UK Italy and France Hungary and Romania Israel and Palestine Iran and India Australia Germany and Denmark Traversing a range of national cultures political systems and programming forms *News Parody and Political Satire Across the Globe* offers insight into the central and perhaps controversial role that news parody has come to play in

the world and explores the multiple forces that enable and constrain its performance. It will help readers to better understand the intersections of journalism, politics and comedy as they take shape across the globe in a variety of political and media systems. This book was originally published as a special issue of the journal *Popular Communication*. **Another Song for Europe** Ivan Raykoff, 2020-11-29. The Eurovision Song Contest is famous for its camp spectacles and political intrigues but what about its actual music? With more than 1,500 songs in over 50 languages and a wide range of musical styles since it began in 1956, Eurovision features the most musically and linguistically diverse song repertoire in history. Listening closely to its classic fan favorites but also to songs that scored low because they were too different or too far ahead of their time, this book delves into the musical tastes and cultural values the contest engages through its international reach and popular appeal. Chapters discuss the iconic fanfare that introduces the broadcast, the supposed formulas for composing successful contest entries, how composers balance aspects of sameness and difference in their songs, and the tension between national genres of European popular music and musical trends beyond the nation's borders, especially the American influences on a show that is supposed to celebrate an idealized pan-European identity. The book also explores how audiences interact with the contest through musicking experiences that bring people together to celebrate its sounds and spectacles. What can seem like a silly song and dance show offers valuable insights into the bonds between popular music and cosmopolitan values for its many followers around the world. From dance parties to flashmobs, parodies to plagiarisms, and orchestras to artificial intelligence, *Another Song for Europe* will be of particular interest to Eurovision fans, critics, and scholars of popular music, popular culture, ethnomusicology, and European studies. *The Cambridge Encyclopedia of the English Language* David Crystal, 2003-08-25. Rarely has a book so packed with accurate and well-researched factual information been so widely read and popularly acclaimed. This Second Edition of *The Cambridge Encyclopedia of the English Language* has been fully revised for a new generation of language lovers. The book is longer and includes extensive new material on world English and Internet English, in addition to completely updated statistics, further reading suggestions, and other references. First Edition: Hb 1995 0 521 40179 8; First Edition: Pb 1997 0 521 59655 6. David Crystal is a leading authority on language and author of many books, including most recently *Shakespeare's Words* (Penguin, 2002), *Language and the Internet* (Cambridge, 2001), and *Language Death* (Cambridge, 2000). An internationally renowned writer, journal editor, lecturer, and broadcaster, he received an Order of the British Empire in 1995 for his services to the English language. *Drama, Skits & Sketches 3* Youth Specialties, 2001. The next volume in the best-selling Ideas Library, this is a collection of 54 of the newest, most creative youth group-tested dramas, skits, and sketches ever imagined. **Competing without Fighting** Seth G. Jones, Emily Harding, Catrina Doxsee, Jake Harrington, Riley McCabe, 2023-09-11. China is conducting an unprecedented campaign below the threshold of armed conflict to expand the influence of the Chinese Communist Party and weaken the United States and its partners. The scale of China's actions in the United States is unparalleled. This CSIS report offers one of the most

comprehensive analyses to date of Chinese political warfare activities and examines China's main actions primary goals and options for the United States and its partners The Preposterous Adventures Of George Washington Munchausen De Spooof (being The Most Amazing Story A Man Ever Told And Lived) Jay Hickory Wood,1898 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Currents of Comedy on the American Screen Nicholas Laham,2014-01-10 This book analyzes the evolution of film and television comedy from the 1930s through the present defining five distinct periods and discussing the dominant comedic trends of each Chapters cover the period spanning 1934 to 1942 defined by screwball comedies that offered distraction from the Great Depression the suspense comedy reflecting America's darker worldview during World War II the 1950s battle of the sexes comedy the shift from the physical exaggerated comedy of the 1950s to more realistic plotlines and the new suspense comedy of the 1970s and 1980s focusing on the popular dumb cop or dumb spy series along with modern remakes including 2006's The Pink Panther and 2008's Get Smart
