PASSAGE AND QUESTIONS WITH ANSWER

CE AND TIONS ANSWER

THE WHISPERING SHADOWS

On a chilly October night, as the wind howled through the trees along Willow Creek, the old Thompson house stood dark and dank. It was time to go home, especially on Halloween. The townpeople often told tales of legends whispered of shadows that moved with silent legends, shadows that moved with silent legends.

Derek and his friend Liam had heard their stories of the house for years. They had heard their stories of the house for years. They had heard their stories of the house for years.

As they crept up the creaking stone steps, a strange feeling came over them. The door opened on its own, revealing a dark hall. Into the shadows, their flashlight beams pierced the darkness. The walls were covered in a thick web of dust and cobwebs. In the dim light, they saw portraits on the walls of people who had lived there. As they walked further into the house, the whispers grew louder. At first, they thought it was just the wind, but then they realized it was their names.

Suddenly, a shadow stretched across the hallway. Liam's face pale. "Did you see that?" he whispered. Before Derek could answer, they heard footsteps. Not coming to move as a figure slowly emerged from the darkness. A woman in a long, tattered dress, her face hidden. She seemed to float above the ground, her feet not touching the floor. "You shouldn't be here," she murmured in a voice that seemed to come from everywhere. "Leave now."

But without thought, they ran, their footsteps echoing in the dark. When they reached the street, they looked back at the house. The door was closed. No one believed that they had seen... and they never returned to the house.

QUESTIONS

1. What does the story tell us about the house?
2. How does the author describe the house?
