Sports Tourism Pat Phase 2014:

The Geography of Tourism and Recreation C. Michael Hall, Stephen J. Page, 2014-05-09 This fourth edition of *The Geography of Tourism and Recreation* provides students with a comprehensive introduction to the interrelationship between tourism leisure and recreation from geographical and social science perspectives. It still remains the only book to systematically compare and contrast in a spatial context tourism and recreation in relation to leisure time offering insight into the demand supply planning destination management and impacts of tourism and recreation. Whilst retaining its accessible style and approach this edition has been significantly updated to reflect recent developments and new concepts from geography which are beginning to permeate the tourism and recreational field. New features include Content on the most recent developments climate change sustainability mobilities and crisis management in time and space as well as trends such as low cost airlines and the control of land transport by transnational operators in the EU such as Arriva. More attention to management issues such as innovation and the spatial consequences for tourism and leisure development. New case studies and examples to showcase real life issues from both developed and developing countries especially the US China and South Africa. Completely revised and redeveloped to accommodate new user friendly features case studies insights summary points and learning objectives. Written by leading academics this is essential reading for all tourism geography leisure and recreation students.

The People's Race Inc. Michael S. K. N. Tsai, 2016-11-30 The Honolulu Marathon debuted in 1973 as the shared vision of a maverick cardiologist bent on proving the benefit of long distance running for cardiac patients and an impetuous mayor eager to prove Honolulu the equal of the top cities in the country. Over a span of forty plus years the race matured into one of the largest marathons in the world a 100 million economic engine for its home state and a launch pad for some of the most dominant long distance runners in modern history. From its modest start as a community event for local amateurs the race now regularly attracts 30 000 entrants more than half from Japan and boasts elite fields led by Kenyan and Ethiopian professional runners each hoping to earn a share of a 150 000 prize purse. *The People's Race Inc.* captures the personalities politics and power plays behind the burgeoning growth of the Honolulu Marathon and provides a unique lens for understanding the complex history of the sport itself. Drawn from revealing interviews with those closest to the event as well as exhaustive research journalist Michael Tsai presents an insider's account of how organizers forged lucrative partnerships with foreign investors helped initiate the age of African dominance of the marathon and weathered some of the most bizarre challenges imaginable. The book also exposes the ways in which the marathon's expansive growth mirrored the explosive at times bewildering development of post statehood Hawai'i.

Men in reserve Juliette Pattinson, Arthur McIvor, Linsey Robb, 2017-02-01 *Men in reserve* focuses on working class civilian men who as a result of working in reserved occupations were exempt from enlistment in the armed forces. It uses fifty six newly conducted oral history interviews as well as autobiographies visual sources and existing archived interviews to explore how this group articulated their wartime

experiences and how they positioned themselves in relation to the hegemonic discourse of military masculinity It considers the range of masculine identities circulating amongst civilian male workers during the war and investigates the extent to which reserved workers draw upon these identities when recalling their wartime selves It argues that the Second World War was capable of challenging civilian masculinities positioning the civilian man below that of the soldier hero while simultaneously reinforcing them by bolstering the capacity to provide and to earn high wages frequently in risky and dangerous work all which were key markers of masculinity Congressional Record United States. Congress,2009 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Planning** ,2005 **Editor & Publisher Market Guide** ,1995 **Space Buyers' Guide Number** ,1995 *Introduction to Sports Tourism and Event Management* Melville Saayman,2012-08-01 The importance of Sport Tourism as a developing science and Sport Events specifically is on the increase This is especially true when experts say that sport tourism is big business South Africa like most other countries hosts thousands of sport events each year Therefore destinations compete fiercely not only to host these events but also to offer quality events All this is happening despite the fact that there is a lack of properly trained sport and event managers Therefore the purpose of this book is to equip the reader with specific knowledge and skills about the sport and events tourism phenomenon The book deals with a wide variety of topics stretching from the history of sport tourism to new and globally important issues such as the greening of sport events The book is a useful tool for both students and practitioners alike since it also provides guidelines and case studies **Sport Tourism Development** Thomas Hinch,2004
