Split A Child A Priest And The Catholic Church:

Split Mary C. Dispenza, 2014-11-05 At age seven Mary Dispenza was raped by her parish priest The event split Mary in two then vanished from memory Carrying an unaccountable sense of shame Mary clung to Church liturgy and dogma for support and entered the convent where for 15 years she lived as a nun separate from the world Decades later when a memory of the pedophile priest resurfaced Mary's will to survive and her quest to understand the unforgivable led the former nun to join forty five other men and women abused by priests in the largest ever successful lawsuit against the Catholic Church As scandals involving sexual abuse continue to roil the Catholic Church and survivors of abuse fight to make the Church atone for its sins each abused person must find a way to mend the schism inside *SPLIT* the story of Mary's journey to wholeness takes the reader from horrifying scenes of child abuse inside the unfamiliar world of the novitiate through the delicate and frightening process of accepting homosexuality and culminates in epic courtroom battles Readers seeking to understand how this terrible injustice happens and how so much has been kept secret for so long will find some answers in this honest memoir Mary Dispenza now an activist for ending the epidemic of abuse speaks passionately about one *SPLIT* we desperately need the one that separates the Church from its mantle of secrecy

The Dozier School for Boys Elizabeth A. Murray, PhD, 2019-09-03 Some true crimes reveal themselves in bits and pieces over time One such case is the Florida School for Boys aka the Dozier School a place where rather than reforming the children in their care school officials tortured raped and killed them Opened in 1900 the school closed in 2011 after a Department of Justice investigation substantiated allegations of routine beatings and killings made by about 100 survivors Thus far forensic anthropologist Dr Erin Kimmerle and her team from the University of South Florida have uncovered fifty five sets of human remains Follow this story of institutional abuse the brave survivors who spoke their truth and the scientists and others who brought it to light

[Child Sexual Abuse and the Catholic Church](#) Marie Keenan, 2013-07-18 A meticulously researched inside look at child sexual abuse by clergy this exhaustive hard hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders Linking the personal and the institutional researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology but also within larger systemic factors such as the very institution of priesthood itself the Catholic take on sexuality clerical culture power relations governance structures of the Catholic Church the process of formation for priesthood and religious life and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations including child sexual abuse Keenan draws on the priests own words not to excuse their horrific crimes but to offer the first in depth account of a tragic multi faceted phenomenon What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new more critical theology Only through radical institutional reform Keenan argues can a more representative and accountable Church emerge Child

Sexual Abuse and the Catholic Church is a unique reference for scholars of the Church and therapists who work with both victims and offenders as well as a forward thinking blueprint for reform *Story Of The World #2 Middle Ages Activity Book* Susan Wise Bauer,2008-02-26 Presents a history of the ancient world from 6000 B C to 400 A D **Children's Rights and Obligations in Canon Law** Mary McAleese,2019-11-04 In the first study of its kind Mary McAleese subjects to comprehensive scrutiny the Roman Catholic Church s 1983 Code of Canon law as it applies to children The Catholic Church is the world s largest non governmental organisation involved in the provision of education and care services to children It has over three hundred million child members world wide the vast majority of whom became Church members when they were baptised as infants Canon law sets out their rights and obligations as members Children also have rights which are set out in the 1989 United Nations Convention on the Rights of the Child to which the Holy See is State Party The impact of the Convention on Canon Law is examined in detail and the analysis charts a distinct and worrying sea change in the attitude of the Holy See to its obligations under the Convention since the clerical sex abuse scandals became a subject of discussion at the Committee on the Rights of the Child which monitors implementation of the Convention Mary McAleese wins Europe s richest theology prize for her study of canon law The former President of Ireland Mary McAleese has won one of the Catholic world s most prestigious prizes the Alfons Auer Ethics Award from Tbingen University in Germany for her doctoral thesis on Children s Rights and Obligations in Canon Law **Reports of Cases Determined in the Supreme Court of the Philippines from ...** Philippines. Supreme Court,1916 Chicago Catholics and the Struggles within Their Church Andrew M. Greeley,2017-09-08 What might one expect to learn from a probability sample study of the Archdiocese of Chicago Can one form a national portrait of Catholics in the United States from data about Chicago Certainly Chicago is unique in its judgments about its clergy As the eminent Catholic sociologist Andrew M Greeley argues it is this very difference that makes rigorous comparisons between Chicago Catholics and other Catholic subpopulations possible He suggests that history and geography provide a basis for understanding the development of the Catholic Church not just in this specific area but also in the entire United States The Catholic Archdiocese of Chicago it composed of two counties Lake and Cook At the same time the Catholic population has been pushed up against the boundary of DuPage County by racial change in the city so that much of the west and south side Catholic population of the city has moved into the southern and western suburbs In this research area half of the Catholics have attended college and half of those have attended graduate school Thus the conventional image of Chicago as a mix of ethnic immigrant neighborhoods has to be modified although there are still many new immigrants attending special immigrant parishes Greeley argues that the official church in Chicago and by inference elsewhere has not recognized the community structures that permeate the neighborhoods that it does not grasp the religious stories that shape its peoples identity and it does not understand the intense if selective loyalty of the archdiocese to its leadership As part of this argument Greeley includes transcriptions of in depth interviews with former Catholics This study provides a fascinating

window into the world of Catholicism in twenty first century urban America **Spiritual Terrorism** Boyd C.

Purcell,2008-04-09 Spiritual Terrorism is about the impact of fear based religion on people's lives who have been spiritually abused by a negative conception of God through eternal hell fire preaching and teaching The doctrine of eternal punishment in literal fire is at the heart of many forms of spiritual abuse and all forms of spiritual terrorism which is the most extreme form of spiritual abuse This book effectively explains the symbolic use of fire in the Holy Bible and other Holy Books The common misunderstanding of the metaphorical usage of fire is the primary cause of spiritual terrorism Dr Purcell clarifies the confusion over the Christian doctrine of salvation by grace and judgment which is based on the deeds of lifegood or bad This allows readers to grasp the liberating truth that people are totally free to live their lives but are also totally accountable at the end of life for how they have lived their lives God will ultimately teach universal empathy and bring about perfect justice for all without violating anyone's free will Spiritual abuse has the potential to affect all stages of life in the womb childhood youth young adults older adults end of life and bereavement after the deaths of loved ones Spiritual abuse may also affect all areas of life marriage divorce emotional mental physical abuse medical treatment or refusal of such treatment for self and children and domestic and international terrorism All major world religions are addressed Judeo Christianity Islam and the Eastern Religions Buddhism and Hinduism Included as well are Native American Beliefs There is a theme running through all major religions of God's unconditional love amazing grace infinite mercy perfect justice and a universal homecoming Reports of Cases Determined in the Supreme Court of the Philippine Islands from ... The Trouble with Huguenots Virginia DeMarce,2024-07-02 Ever since the assassination of King Louis XIII and the overthrow of his chief minister Cardinal Richelieu France has been in political and military turmoil The possibility even the likelihood of revolution hovers in the background The new king Gaston whom many consider an usurper is no friend of France's Protestants known as the Huguenots The fears and hostility of the Huguenots toward the French crown have only been heightened by the knowledge brought back in time by the Americans of the town of Grantville Half a century in the future the French king of the time would revoke the Edict of Nantes of 1598 which proclaimed that the rights of Huguenots would be respected At the center of all this turmoil is the universally recognized leader of the Huguenots Duke Henri de Rohan He knows from the same up time history books that he is scheduled to die less than two years in the future and he has pressing problem on his hands His estranged wife and brother are siding with the usurper Gaston and plotting against him Still worse his sole child and heir is his nineteen year old daughter Marguerite He believes he has less than two years to find a suitable husband for her but acceptable Calvinist noblemen French or foreign are sparse at the moment What's a father to do At the publisher's request this title is sold without DRM Digital Rights Management *Journals [and Appendices]* New Zealand. EJ's past Bobbie begins to unravel his complicated life EJ did not have an easy childhood and his teenage years were even worse Despite the hardships he endured he refused to give in or go astray He held onto his faith and belief that God has a plan for him He healed people and steered the lost souls inspires Bobbie to write his story to give other people hope and make them follow his lead Emmanuel Jones might appeal to readers interest in stories of faith The Religious Divide Larry Squyres, 2023-12-11 Christianity has been around for over two thousand years So who's right and wrong regarding Catholic or Protestant beliefs What does the Bible say We look at some of the issues baptism and the correct way Purgatory is there such a place The immortal soul is it immortal after death Who are saints Are traditions equal to biblical scripture Is the rapture just a story or does it have another meaning or time Finally in The Religious Divide we look at some differences between Catholicism Protestantism and the Bible and come to a better understanding If you have ever had these questions this book is for you In addition this book includes references from where Catholicism takes its answers the Vulgate Bible and the writings of men where Protestantism gets its answers from the King James Version and what does the Bible have to say on these subjects Whether you're curious or want to know get your copy of The Religious Divide today The Religious Divide is one of the most informative books I have ever read when it comes to understanding the Bible and the differences and similarities between various denominations The author explains a point gives contrasting points and then adds scriptures that make the ideas between them more understandable I love that this author encourages you to find the truth in your heart while helping you figure out the pieces that can be somewhat confusing I recommend The Religious Divide to anyone who wants and needs a better understanding of what is found in the Bible wants more clarity on what's right what may be considered wrong and how to find their place in this world through the scriptures Amy Raines Reader's Choice Katharine Drexel and the Sisters Who Shared Her Vision McGuinness, Margaret M., 2023 Although Katharine Drexel has been the subject of several biographies they have tended to treat her as a perfect human being whom the Church later transformed into a saint Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress's individual life devoted to God and shines a light on the work she did assisted by the Sisters of the Blessed Sacrament Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel's father The author's careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere shows impacts on the Church while also revealing racial issues at work in the story This brings a critical perspective to Drexel's ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America
