SNIFFED OUT: Meghan, Harry, Disney, and the Advocacy for Human Rights, United States, United Kingdom, and the Commonwealth. Pallavi Kakoti McHugh,2025-01-30 THE TRUE STORY OF HOW THE EIGHT DOGS OF A UNITED NATIONS WHISTLEBLOWER HUMAN RIGHTS ADVOCATE THE CREATOR OF THE WORLD S MOST RACIALLY AND POLITICALLY INCLUSIVE STORY EXPOSED DISNEY S DECEPTION AND MEGHAN MARKLE AND PRINCE HARRY S HYPOCRISY AND RACE BAITING Meghan Markle was a little known actress from America barely recognized as a suitcase girl on Deal or No Deal the oral sex girl in 90210 and later in the cable TV show Suits Her fame skyrocketed after her marriage to Prince Harry in 2017 which featured a lavish wedding costing around 46 million largely funded by the British royal family and UK taxpayers Inviting mainly Hollywood celebrities it appeared to be a networking event rather than a traditional royal affair In 2020 videos emerged of Meghan and Harry pitching themselves to Disney executives sparking embarrassment worldwide with even Beyonc looking uncomfortable This incident led me to suspect that there s a deeper issue at play regarding Meghan s true intentions and her use of her royal status for personal gain and Disney s public image As a person of color from the Commonwealth married to a white man for 20 years I was disgusted by the Oprah interview with Meghan and Harry in March 2021 Their claims of racism within the British Royal Family and media especially while Prince Philip was on his deathbed were deeply unsettling This portrayal not only created a global perception of racism in the UK but also undermined the progress made in race relations trivializing the experiences of real victims of racism like myself Prince William the future King was compelled to break the royal protocol of maintaining silence and carrying on with duties to defend himself and his family The actions of Meghan and Harry who preached compassion in words but practiced destruction further divided people worldwide based on race The late Queen Elizabeth II died a year later with both her and Prince Philip s last thoughts being that the world believed there was racism in their family and the Commonwealth would eventually break up because of it I

knew there was no racist in the British royal family only a race baiter and a shrewd opportunist was present who used people of color and the Commonwealth and racism for their ambition Their actions in my opinion tried to divide the world based on race and harm racial harmony for insatiable greed for power and fame The racial harmony that is crucial for the world in so many ways was just a pawn in a dangerous scheming game for power and fame In December 2022 Meghan and Harry s documentary misled the public by suggesting that Commonwealth countries are akin to a British Empire 20 Discover the only legal evidence that I have guarded for 5 years that reveals Meghan Markle as a benefactor of discrimination rather than the victim she has portrayed herself to be Learn how she and Disney are negatively impacting the world and human rights in my work Sniffed Out This serves as a wake up call for the public reinforcing the belief that ultimately good triumphs over evil It s vital to safeguard your interests and the universal right to equal opportunity and we must all play our part in ensuring this and protect racial harmony from race baiters This captivating true story reveals the intertwining fates of Pallavi Kakoti McHugh and her beloved dogs to some of the world s richest and most powerful individuals including the late Queen Elizabeth II King Charles III Princess Catherine Elon Musk Johnny Depp and Rupert Murdoch alongside some of the world s poorest people and powerful nations such as the United States the United Kingdom and the Commonwealth Everyone is connected to the same perpetrators leading to a significant expos aimed at protecting many worldwide Visit <https://triggerspoint.com> books to explore the hilarious books The Beautiful Golden Family Parts 1 2 which prompted Pallavi Kakoti McHugh to embark on this extraordinary journey This all began with her dog Wilbur s hilarious struggles with understanding reproduction and artificially achieving six puppies against all scientific odds Additionally be sure to check out the beautiful dogs on Instagram at [thebeautifulgoldenfamily](https://www.instagram.com/thebeautifulgoldenfamily)

Microhistories of Technology Mikael Hård, 2023-02-20 In this open access book Mikael Hård tells a story of how people around the world challenged the production techniques and products brought by globalization Retaining their autonomy and freedom creative individuals selectively adopted or rejected modern gadgets tools and machines In standard historical narratives globalization is portrayed as an unstoppable force that flattens all obstacles in its path Modern technology is also seen as inexorable in the nineteenth century steamships telegraph lines and Gatling guns are said to have paved the way for colonialism and other forms of dominating people and societies Later shipping containers and computer networks purportedly pulled the planet deeper into a maelstrom of capitalism Hård discusses instances that push back against these narratives For example in Soviet times inhabitants of Samarkand Uzbekistan preferred to remain in and expand their own mud brick houses rather than move into prefabricated concrete residential buildings Similarly nineteenth century Sumatran carpenters ignored the saws brought to them by missionaries and chose to chop down trees with their arch bladed adzes And people in colonial India successfully competed with capitalist run Caribbean sugar plantations continuing to produce their own muscovado and sell it to local consumers This book invites readers to view the history of technology and material culture through the lens of diversity Based on research funded by the European Research Council and conducted in the Global South *Microhistories of Technology* Making the World shows that the spread of modern technologies did not erase artisanal production methods and traditional tools
