Fundraising for Academic Libraries Karlene Noel Jennings, Joyce Garczynski, 2020-06-15 With more universities facing financial difficulty and academic libraries being asked to do more with less fundraising has been transformed from a luxury to a necessity Now more than ever academic libraries need to know how to effectively obtain and steward donors Most fundraising books are written from perspectives that are not always relevant to the complex environment that academic libraries must navigate Fundraising for Academic Libraries A Practical Guide for Librarian is written just for academic libraries The authors demystify fundraising to enable those to work in an academic library to feel confident in their ability to obtain contributions sponsorships and grants for their libraries From major gifts to events to special collections this book looks at academic library fundraising holistically Not a one size fits all approach chapters explore multiple methods that an academic library can use to identify potential donors ask for gifts and retain existing contributors This book also connects

readers with extensive fundraising resources so they can readily apply the book's tips and techniques to their own library environment. Whether they are interested in approaching a local business to provide a prize for a silent auction or asking for an established donor for an estate gift, novice academic library fundraisers will find step-by-step instructions that help them navigate a variety of situations. By providing readers with practical fundraising tools including flow charts, simple proposal and gift templates, as well as sample donor correspondence, this book enables academic libraries to be able to start and advance their own development programs.

How To Ask For Money Alana Stott MBE, 2023-05-23. Whether it's a Royal family, a sports team, or a Fortune 500 company, Alana Stott has learned that when it comes to fundraising, the one thing they all have in common is that everyone is terrified to ask for money. In this book, Stott brings together her twenty years of experience raising money to share her exclusive MAPS formula that, practiced correctly, will guarantee you success when it comes to asking for money. She provides all the tools for you to be prepared and confident when you walk into any room. Find out how to leverage eight key motivators to achieve success, overcome the fear of rejection, and the fear of the unknown. Be successful every time you ask for money. Put the right team around you. Stott observes that the number one reason people give money is because they are asked. It's as simple as that. If you want someone to invest in your idea or donate to your cause, you'll be one step closer to your goal simply by asking. By relying on Alana Stott's proven system that has helped businesses and nonprofits raise millions of dollars, you'll have all the resources and knowledge you need to approach donors with confidence and deliver successful pitches.
