Capitalists, Arise! Peter Georgescu, 2017-05-01 The legendary CEO presents a challenge to America s captains of business to reclaim capitalism as a means of creating wealth and shared prosperity Darren Walker President Ford Foundation Peter Georgescu arrived in this country as a penniless Romanian refugee and rose to become the CEO of Young Rubicam This is why he s so heartsick that with flat wages disappearing jobs and a shrinking middle class his kind of rags to riches story doesn t seem possible now But he has a message for his fellow CEOs we re the ones who must take the lead in fixing the economy Today America has greater wealth inequality and lower social mobility than just about any other country in the developed world As Georgescu demonstrates this is because free market capitalism has been hijacked by shareholder primacy Where once our business leaders looked to the needs and interests of a variety of stakeholders employees community members the business itself now they re myopically focused on maximizing their shareholders quarterly returns In Capitalists Arise Georgescu offers concrete pro capitalist actions we can take to create a better future one in which shareholders would do even better In the long run businesses can
