

A dramatic landscape featuring dark, silhouetted mountains in the foreground. The sky is filled with heavy, dark clouds, but a bright light source, likely the sun, is breaking through the clouds in the center, creating a powerful lens flare and illuminating the scene with a golden glow. The overall mood is one of awe and divine presence.

The Power of Prayer , 2025-06-11 There is something unexplainable that happens when a heart cries out to God and heaven leans in to listen Prayer is not just a habit or a duty It is the lifeline between the soul and its Savior It is the holy ground where weak words touch Almighty strength It is the sacred place where the invisible becomes real and the impossible begins to move Prayer is where burdens are laid down and peace is picked up It is where confusion gives way to clarity It is where wounds begin to heal not because we fix them but because we finally give them to the One who can In prayer we trade our fear for His courage We exchange our sorrow for His joy We offer our small faith in return for His great power Every page of Scripture echoes the truth that God hears God answers God moves when His people pray Elijah called down fire Hannah poured out her soul through tears Daniel knelt to pray even when it was forbidden Jesus wept and prayed in Gethsemane before facing the cross The Word of God keeps proving that prayer is not a last resort It is the first and strongest move of faith If you have ever wondered if your prayers matter they do If you have questioned whether your voice

is heard it is If you have doubted whether heaven moves for someone like you this book was written for you The power of prayer is not in perfect words It is not in polished faith It is in a willing heart that dares to speak to the God who listens The same power that met saints of old still waits to meet you One person One prayer One God who never stops answering Our Cry for Revival Nick Harrison, 2024-11-05 What Christian isn't hungry for revival Not just an emotional display of faith but a revival that changes lives renews churches and can even change history Such revivals as the Great Awakening the Welsh Revival and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active Even smaller revivals such as the recent revival at Asbury University in Wilmore Kentucky caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God The recent movie The Jesus Revolution was a surprise success at the box office as once again Christians flocked to hear about revival Make no mistake there is a worldwide hunger for revival and especially so among American Christians The great news is that every Christian has a part to play in bringing about revival That part is first last and always prayer Revivals are born from prayer But will Christians pray Do they really want revival If recent events are indications of that fresh hunger for God in our midst then the answer is a resounding yes With daily Scripture readings reflections prayer prompts and quotes from classic Christian leaders this 365 day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer Yes revival is on its way Will you be one of the prayer warriors to usher in this next great move of God

Broken Unto Wholeness Marilyn Hansen, 2020-07-27 It is a desire to be used by God as His instrument to bring wounded souls into wholeness through the shed blood of His Son Jesus by sharing our brokenness with others We feel sorrowful but blessed when we discover that God can use all things together for the good of those who love Him Marilyn Hansen is one to encourage others while struggling to believe that God could make something beautiful out of her own brokenness Being obedient to God's call she writes about how He made the broken pieces of her life whole for His glory It was as though God were saying Marilyn how do you think the world has seen Me If it wasn't for your brokenness I couldn't make you whole I chose you just the way you are I have allowed you to be broken to make you whole Be filled with My Spirit I only ask that you pour yourself out that others might be made whole As I look back on my life I feel very blessed that God could take the broken pieces and use them as a testament of His healing power I wish He had not had to sacrifice His Son for me but know I also am a sinner in need of His grace I wish I had known Him earlier in my life so I could be obedient to Him and fulfill His plan for my life But by His grace He has enabled me to be His servant by ministering to other wounded souls through which I can bring honor and glory to Him He has taken the broken pieces of my life and made something beautiful for His use His grace is sufficient in meeting my needs and yours Let us allow Him to use us that He might be glorified by our willingness to be obedient to Him and fulfilling all He has called us to be Will you allow God to make you Broken Unto Wholeness so He can take you on a journey that others will see and desire to let Him be seen in you Your life does make a

difference because of how He is glorified in your brokenness **Children's Liturgy of the Word 2010-2011** Maureen Kelly,2010-05-10 **Truth Unchanging** Becky Thompson,2019-04-16 Motherhood is often noisy and rarely silent Learn to hear God speaking above all the noise in these daily devotions that can be completed in five minutes or less As moms know even when there isn't noise around us there is usually noise within us The constant to do lists that spin in our minds the worry and wonder if we are doing a good job and the need to stay two steps ahead of our families when we feel two steps behind keeps our minds routinely restless So when quiet time with God isn't so quiet and alone time is nearly nonexistent how does a modern day momma tune in the voice of the Lord With Truth Unchanging you don't have to wait until you're alone to talk with Jesus Designed to be read in five minutes or less each powerful hope filled devotion will refocus your heart on the Word of God refresh your mind with God's Truth for your life revive your spirit as you realize God is speaking to you personally Truth Unchanging is not just a devotional It's an opportunity to begin daily conversations with Jesus the One who has everything we need to take on the days ahead the One who wants to speak to you right now Tune in to His voice today

Be the Message Kerry Shook,Chris Shook,2014-09-09 Maybe you're troubled by the disconnect between the words you speak and the life you live Maybe you'd like to see your faith become more active and life changing in the world around you Pastor Kerry and Chris Shook felt that way Even though their calling involved preaching and teaching they became weary of sermons and words They felt a gap between what they were saying and the needs of people around them They decided to do something about it Be the Message is their story of waking up to the gospel not just a gospel of words and sermons but the gospel of intention and action and people They discovered a profound secret You Are the Gospel As they explored the deeper truths of scripture the verse the word of God lives in you came alive Digging deeper they discovered that the gospel message is really about life message your life lived out God's call to you is simple Be the Message Be the Message opens up a new world of understanding about what God calls you to As the Shooks learned the gospel is not about what you say It's about who you are and what you do and how you can be God's hands and feet in the world What would happen if we talked about God less and walked with God more Be the Message reminds us that Christianity was meant to be a faith of action not a faith of words Yet often we sacrifice doing something for the sake of talking about it When we actually act out on our faith we find our faith grows even more You can do more than nothing People's lives are changed when you allow your life to be the gospel to the world Living out the gospel in the world today is both simple and costly The Shooks explore that paradox through biblical stories and their own experience of making a decision to live out the gospel in practical ways Choosing to be the gospel changed their family church and personal relationships with God How can it change your life **River Dwellers** Rob Reimer,2024-03-11 Did you ever wish there was more to your Christian life Too often the Christian life is reduced to going to church attending meetings serving God and doing devotions But Jesus promised us abundant life a deep intimate satisfying connection with the living God How do we access the abundant life that Jesus promised The key is the presence and life of
