Auditions Richard Evans, 2014-04-24 Auditions are an integral part of every performer's life. From getting into drama school through to a successful career in an overcrowded industry, *Auditions: The Complete Guide* offers crucial advice, resources, and tried and tested techniques to maximise success before, during, and after each audition. Written by an established casting director and former actor with over 35 years of experience on a wide range of productions, this book offers a wealth of personal and professional insights covering drama and theatre schools, showcases amateur and professional auditions, contemporary classical physical and musical theatre, television and commercial castings, movie screen tests, and self-taping, voice overs, and radio drama, networking, recalls, and workshops, handling job offers and rejection. From training to triumph, nerves to networking, and camera to casting couch, *Auditions: The Complete Guide* is an entertaining, accessible, and indispensable read for every performer. Richard Evans CDG has cast a wide variety of productions in all media since 1989 and prior to this worked as an actor for 10 years. He has devised and presented audition and career development workshops at many top drama and theatre schools worldwide and at the Actors Centre London and has written *Auditions: A Practical Guide* (Routledge, 2009) and *A Casting Director's Perspective* for *The Actors Yearbook* (2005). He is a member of The Casting Directors Guild of Great Britain and Ireland. www.auditionsthecompleteguide.com **Sky Songs** Jennifer Sinor, 2020-10 *Sky Songs* is a collection of essays that takes inspiration from the ancient seabed in which Jennifer Sinor lives an elemental landscape that reminds her that our lives are shaped by all that has passed through. Beginning with the conception of her first son, which coincided with the tragic death of her uncle on an Alaskan river, and ending a decade later in the Himalayan home of the Dalai Lama, Sinor offers a lyric exploration of language, love, and the promise inherent in the stories we tell to remember. In these essays, Sinor takes us through the mountains, deserts, and rivers of the West, and along with her on her travels to India. Whether rooted in the daily life of raising children or practicing yoga, Sinor searches for the places where grace resides. The essays often weave several narrative threads together in the search for relationship and connection. A mother, writer, teacher, and yoga instructor, Sinor ultimately tackles the most difficult question: how to live in a broken world filled with both suffering and grace. **Q.R.S.
