African Animals

Giraffes are tall with necks so long
Elephant's trunks are big and strong
Zebras have stripes and can gallop away

While monkeys in the trees do sway
Old crocodile swims in the pool so deep
Or lies in the sun and goes to sleep.

If You're an Elephant and You Know It!

If you're an elephant and you know it,
Stomp your feet!
If you're an elephant and you know it,
Stomp your feet!
If you're an elephant and you know it,
And you really want to show it,
If you're an elephant and you know it,
Stomp your feet!

The Jungle song

Tiger, tiger, orange and black,
He's got stripes upon his back.
When he growls, sharp teeth I see.
He's as scary as can be!
Tiger, tiger, orange and black,
He's got stripes upon his back

The Jungle song

Elephant, elephant, large and grey,
Swings his trunk along the way.
His ears are big, his tusks are white,
Don't be scared, he doesn't bite!
Elephant, elephant, large and grey,
Swings his trunk along the way.

Deep and Wide Evan B. Howard,2023-05-02 Commitment to a life of prayer and community can prove to be a great help for those involved in politics Rather than being distracted away from action Evan B Howard argues that committed Christians often find both freedom and empowerment to contribute to the greater good of the world A review of the history of committed Christian life monasticism shows that devout communities have engaged in a wide range of socio political arenas We can explore today what nuns and monks have accomplished in the past We can speak into political conversations We can care for those in need We can model new ways of ordering life together We can take concrete political action in governmental process We can pray This book blends examination of history with musings about the Christian life and politics generally It also offers a collection of monastic practices to equip communities and individuals to embody an appropriate blend of deep and wide for themselves
