The Nail in the Skull and Other Victorian Urban Legends Simon Young, 2022-06-27 Winner of the 2023 Brian McConnell Book Award from the International Society for Contemporary Legend Research In the last fifty years folklorists have amassed an extraordinary corpus of contemporary legends including the Choking Doberman the Eaten Ticket and the Vanishing Hitchhiker But what about the urban legends of the past These legends and tales have rarely been collected and when they occasionally appear they do so as ancestors or precursors of the urban legends of today rather than as stories in their own right In *The Nail in the Skull and Other Victorian Urban Legends* Simon Young fills this gap for British folklore and for the wider English speaking world of the 1800s Young introduces seventy Victorian urban legends ranging from Beetle Eyes to the Shoplifter s Dilemma and from Hands in the Muff to the Suicide Club While a handful of these stories are already known the vast majority have never been identified and they have

certainly never received scholarly treatment Young begins the volume with a lengthy introduction assessing nineteenth century media emphasizing the importance of the written word to the perpetuation and preservation of these myths He draws on numerous nineteenth century books periodicals and ephemera including digitized newspaper archives particularly the British Newspaper Archive an exciting new hunting ground for folklorists The Nail in the Skull and Other Victorian Urban Legends will appeal to an academic audience as well as to anyone who is interested in urban legends Oxford Thesaurus of English Maurice Waite,2009-08-13 The leading single volume English thesaurus explores the richness of the English language with hundreds of thousands of synonyms and antonyms and thousands of example sentences drawn from the Oxford English Corpus finds the word you need quickly with carefully chosen and arranged synonyms broadens your vocabulary and finds solutions to word puzzles and crosswords with hundreds of thematic word lists and helps express yourself more accurately with hundreds of Choose the Right Word boxes exploring the difference between similar words Book Jacket **A Companion to the Biopic** Deborah Cartmell,Ashley D.
