This illustrated edition is a must read for anyone interested in the evolution of the novel and the socio-political landscape of 19th century England. The Modern Fortune-Teller's Field Guide Tom

Benjamin, 2025-10-07 A groundbreaking approach to the practice of divination. Historically, fortune tellers have always stood on the margins of society and been villainized by the Christian colonial powers that view divination as competition. The Modern Fortune Teller's Field Guide takes a contemporary and engaged approach to divination with a strong focus on social responsibility. Because fortune tellers can see the world as it is, they serve as a threat to structures that benefit from secrecy. The Modern Fortune Teller's Field Guide is an essential guide to anyone seeking theory and history alongside divinatory knowledge. Though anyone today can pick up a pack of tarot cards or begin casting bones, fortune tellers have a responsibility in taking up that work: to not only consider the forebears who suffered for that art but also to understand the systems of oppression that impact our clients. We must understand that spiritually bypassing a client's reality is not only ineffective but also cruel.
