The Spatial Market Process David Emanuel Andersson, 2012-07-04 The Spatial Market Process

Making of the World Mahbub H. Khan, 2023-10-30 Humanity was once scattered into small sized nomadic groups that barely knew each other Each lived inside its bubble of myths and beliefs The notion of one single community related by a common origin and similar aspirations the world began to evolve along with the founding of early civilizations It was an auspicious development that has changed not only the way we live but also how we think We are the only species probing the mysteries of nature and life Curiously the story of how wandering Homo sapiens who had lived off nature for hundreds of thousands of years created civilization is less well known compared to the awareness about biological evolution If you have wondered what led to the establishment of advanced societies in ancient Egypt Mesopotamia China Central America and the Andean Highlands this book is for you Making of the World Sapiens Journey from Wilderness to Civilization leads the reader through an absorbing narrative that canvasses the broad sweeps of human history The book brings readers up to date on trusted research findings in archaeology anthropology and evolutionary psychology In so doing it dispels the fog of ideologically biased interpretations of history Students planning to pursue higher education in humanities will find in the book a suitable introduction to a wide range of topics including the origin of cities and governments poetry and philosophy
