Song Of The Abyss:

Song of the Abyss Emma Hamm, 2024-05 Like a songbird in a cage Anya has spent her entire life as the General's perfect daughter He snaps his fingers she jumps He tells her to smile she beams like she is made of the sun itself But underneath all those games and glitter she's working to destroy her father and save the city she loves When an undine sneaks his way into her city intent on kidnapping her she lets him take her Daio's is plagued by the decisions of his past Souls haunt him memories follow his every move and all he knows is that perhaps stealing this woman will absolve him of his sins If he can bring her back to his people then they can destroy the city where his hatred was born He's certain this will be easy But then he sees the General's daughter and he knows nothing will ever be the same again Broken and damaged he's certain no woman will ever love him He shouldn't even try to encourage the mating instincts that ride him hard the moment he sees her But when he realizes that she's the same as he is different from her people and on the outskirts of what others deem normal he knows he's a goner Even if it means he has to risk everything to keep her **Song of the Abyss** Makiia Lucier, 2019

When men start vanishing at sea without a trace seventeen year old Reyna a Master Explorer must travel to a country shrouded in secrets to solve the mystery before it is too late **Song of the Abyss** Lindsay Avalon, 2015-01-23 Her wedding day should have been a joyous occasion for the selkie Princess Nerissa Instead it was a nightmare When the man who'd pledged to honor and love her attempts to murder the Princess she flees for her life Although she escapes she finds herself trapped between skins neither human nor seal Consumed by hatred she waits taking refuge in the sea and compelling men to come to her as she searches for revenge But will her thirst for vengeance cost her a chance at true love **The**

Song of the Abyss (Deep Waters Band 2) Emma Hamm, 2026 Female Performers in British and American Fiction Barbara Straumann, 2018-05-22 The female performer with a public voice constitutes a remarkably vibrant theme in British and American narratives of the long nineteenth century The tension between fictional female performers and other textual voices can be seen to refigure the cultural debate over the voice of women in aesthetically complex ways By focusing on singers actresses preachers and speakers this book traces and explores an important tradition of feminine articulation Drawing on critical approaches in literary studies gender studies and philosophy the book conceptualizes voice for the discussion of narrative texts Examining voice both as a thematic concern and as an aesthetic effect the individual chapters analyse how the actual articulation by female performers correlates with their cultural visibility and agency What this study foregrounds is how women characters succeed in making themselves heard even if their voices are silenced in the end

The 30 Trials of Ix and the Angels Mark Durant, 2004-09-16 The 30 Trials of Ix and the Angels follows Ix Pantheos from his awakening in a ruined castle through his travels to the moon the sun and beyond carried along by the songs of thirty angels as they initiate him into the mysteries of consciousness and the nature of existence The answer seemingly found and the journey apparently nearing its end Ix then finds that he must suffer the destruction of his former self and face a new struggle to hold onto all that was revealed to him Born of a series of meditations performed by the author and utilizing an eclectic mix of various world religious and occult philosophies the story is a surreal journey into the depths of the mind echoing Ix's own quest to redeem both himself and mankind While it stands alone as an engaging read for those unacquainted with the various schools of inquiry that comprise the fertile field within which it took root it retains that symbolism which may prove insightful to like minded readers who find themselves treading its obscure paths

Humanity's Strings Ritwick Bhattacharjee, 2021-12-30 Humanity's Strings Being Pessimism and Fantasy interrogates the nature of reality against fantasy as the two are presented to and created by the human consciousness a consciousness that is in constant struggle with the omnipresence of misery and the inevitability of death The book shows that

being pessimism and fantasy as the strings which are made up of forces unseen unknown and ungoverned that control the human being like a puppet Through a study of the metaphysical and existential philosophies of thinkers such as Franz Brentano Edmund Husserl Søren Kierkegaard Arthur Schopenhauer Friedrich Nietzsche and Jacques Derrida the book interrogates not only how the self interacts with fantasy but why it does as well It also asks why fantasy forces the self towards a unity that impacts existence in the modern world with its questions of justice politics and materiality Furthermore it situates the fantasy novels of authors such as Stephen King Brandon Sanderson Douglas Adams and Robert Jordan as discourses which delineate the considerations above as ideas which modulate the existence of the human Additionally the book shows how it is not just the human that is affected by the machinations of the cosmos but also time and space ostensibly a priori entities of existence as these two interact with the human and its consciousness **The Event** Ilai

Rowner,2015-01-20 What is an event From a philosophical perspective events are irregular occurrences moments of change and interruption categorized by human perception language and thought While philosophers have pored over the subject of events extensively in recent years *The Event Literature and Theory* seeks to ground it What is literature's approach to the event How does literature produce and give testimony to events Ilai Rowner's study not only revisits some of the most important thinkers of our time including Maurice Blanchot Gilles Deleuze Jacques Derrida and Martin Heidegger it also develops a critical approach to literature that questions the meaning of the literary event through examinations of literary works by Marcel Proust Louis Ferdinand Celine and T S Eliot Rowner offers a new method of thinking about the particular characteristics of the event within literary works and defines the creative value of literature as the aspiration toward the un happening within the happening In this study the experience of literature as an act of both writing and reading becomes the struggle to capture the excessive movement of the event while also revealing the creative energy within that work of literature *The Seventies* Shelton Waldrep,2013-11-26 *The Seventies* is must reading for anyone who wants to revisit that

Iyer,2005-11-29 Of the many questions provoked by Blanchot's thought and writing that of understanding its ethical and political significance is perhaps the most pressing Spanning his literary critical and philosophical writings and addressing such major concepts as the image and the neuter Blanchot's Vigilance presents a sustained analysis of Blanchot's response to Levinas's ethical thought the political commitments of the Surrealists Heidegger's readings of the ancient Greeks and the claims of psychoanalysis In a series of thorough and lucid readings Iyer presents Blanchot's central concern as maintaining a kind of vigilance over a difference which opens in the articulation of sense *The Atonal Music of Arnold Schoenberg, 1908-1923* Bryan R. Simms,2000-11-16 Between 1908 and 1923 Arnold Schoenberg began writing music that went against many of the accepted concepts and practices of this art Largely following his intuition during these years he composed some of the masterpieces of the modern repertoire including *Pierrot lunaire* and *Erwartung* works that have since provoked a large though fragmented body of critical and analytical writing In this book Bryan Simms combines a historical study with a close analytical reading of the music to give us a new and richer understanding of Schoenberg's seminal work during this period *Bookfellow* ,1913 **The Chesterian ...** ,1929 *The Memory of Thought* Alexander García Düttmann,2002-07-09 The Memory of Thought reconstructs the philosophy of Adorno and Heidegger in the light of the importance that these thinkers attach to two proper names Auschwitz and Germanien In Adorno's dialectical thinking Auschwitz is the name of an incommensurable historical event that seems to put a provisional end to history as a negative totality In Heidegger's thinking of Being Germanien is a name inscribed in an historical mission on which the fate of Western civilization seems to depend it thus becomes the name of a positive totality of history **Touch the Throne** Samuel,2003-12-23 MISTER CAINBRIDGE WAS a West Indian merchant who owned a small grocery store in Harlem From early morning to late evening he sat in front of his store next to the vegetables on a wooden milk crate with a faded pillow on top that served as a cushion There six days a week beneath the heavy brown canvas awning cranked down over the store window he sat representing an approachable throne of earthly grace where a familiar face was trusted to buy food on credit and during these depressive days of 1938 everybody needed a little extra time to pay for food
