Taken by The Orc Warlords Ava Lunefrost,2025-09-07 I didn't come here to be taken I came to save someone Okay fine Maybe I came to watch Rule 1 of Adventuring Never volunteer to be the hero Rule 2 If you do volunteer don't get caught staring at the orcs like they're your next meal Lira is a adventurer scholar a survivor and a woman who knows what she likes namely big green and very hands on So when she hears the village is sacrificing a maiden to the orc warband she steps in to save the day or at least that's what she tells herself Because let's be honest she's not here for nobility She's here for the tusks The growls The way orc loincloths barely contain anything But when the warband's two most infamous warlords Ghorza the Ruthless and Vrok the Unbroken decide she's the one they want Lira's carefully planned fantasy goes up in flames Problem 1 They don't do no Problem 2 She doesn't want them to Ghorza is all brute strength and rough hands his tusks scraping her skin as he claims her with a growl Vrok is wicked tongues and sharper teeth his promises as sweet as the honey he licks from her thighs Lira should scream She should fight them But the way they feast on her slow relentless together makes her wonder if she was ever meant to be saved at all
