Application Commentary of the Gospel of Matthew John M. Strohm, J.D., 2014-12-16 The Application Commentary of the Gospel of Matthew is a verse by verse examination of the Gospel of Matthew and should be seriously considered for application in personal family devotions, group Bible studies, and Sunday school classes. It is designed to build up and equip the Christian, new believer, or lifelong in understanding and living out God's Word. Each section concludes with a portion called Summary and Application, which discusses how to apply the scripture studied to daily life. James summed up this concept when he wrote: But prove yourselves doers of the word, and not merely hearers who delude themselves. James 1:22
