To So Few:

"So Few" David Masters,2016-10-21 Originally published in 1941 this book is author David Masters historical account of the Royal Air Force s feats and accomplishments during the Second World War I count it a privilege to write with firsthand knowledge of these flying crusaders who are fighting a holy war to preserve Christendom and the lives and liberties of earth bound mortals They are the flower of Great Britain and the British Empire selected in the most scientific manner for the posts of honour which they have covered with so much glory None but the best will do and those who achieve their desire of becoming pilots and navigators and gunners and wireless operators in the Royal Air Force are in fact the finest specimens of young manhood who walk the earth young men whose physical fitness nervous control mental alertness and swift muscular reactions make them fit to command and man the giant bombers and handle the darting fighters they are the knights of the air whose prowess and sacrifice will conjure a new and nobler order out of the ruins created by Hitler and Mussolini No trouble has been spared to ensure the accuracy of these pages which reflect the glory of the Royal Air Force It may be taken that they are as authentic as any pages of official history

Never So Few Tom T. Chamales,2015-11-06 The guerrillas are a small force of Kachin native troops Their commander is Con Reynolds an American soldier of exceptional skill Their mission is to fight the Japanese behind the lines in the steaming jungles of Burma It is a violent exhausting perilous life But through the brutal lessons of war and the awakening of love Con Reynolds comes to a far deeper understanding of himself This stands out of the welter of novels told against the background of war for its originality and distinction the impact is terrific and the whole picture of the guerrilla fighting in Burma emerges with its strange undertones of intense patriotism its moments of almost spiritual aspiration its violence and crudity Kirkus Reviews The strength of Chamales novel lies in its attention to detail its complex interweaving on a grand scale of the military and human crises of a small war The New York Times An extraordinary first novel an exotic and absorbing experience Saturday Review A searing war novel Never So Few ranks with the best Library Journal

So Few Come Out Bob Hyslop,2014-10-29 the 15th outing for jonas forbes as an enquiry agent finds him a married man After 14 years sorting out problems chasing villains and upsetting certain members of the good and the great he s still not got rid of that restless streak So vanessa long his girl friday and now his wife watches helplessly as he jumps at the chance of helping reverend obasi whose son has gone missing unfortunately emmanuel obasi a newly qualified brain surgeon in london has run off to nigeria then racked by a civil war with the secession of biafra in 1967 emmanuel s lover had gone off to use her nursing skills her help her igbo people suffering from the effects of the war and emmanuel followed her then he suddenly disappeared of course the uk foreign office expect jonas to do a little job for them as biafra slides to defeat but jonas has other ideas the high commission in lagos however has been warned about him by whitehall critics and won t cooperate to the point of hostility so jonas disappears into the war zone near owerri it s december 1969 and the nigerian federal army at last on the brink of victory doesn t welcome any intrusion which might disturb their strategy nor

do their opponents fighting with their backs against the wall civilians are subjected to humiliation and violence from both sides and so obviously have little time for strangers standing both apart and above the battlefield is the ruthless shaidan as much a myth as reality waging his own hate filled campaign of atrocities against the nigerian government and its supporters Even so jonas does find some help but he just can t keep them with him as the federal net tightens on the last biafran resistance jonas falls into the hands of shaidan as he faces death it looks as if his mission has failed at home ds john wyatt his long time friend and vanessa can t even find out where he is let alone give him any help Even so the story isn t over yet as other minor characters such as a deserter from the federal army and a disgraced sergeant out to catch him have a part to play in the finale of an adventure which the reader may recognise eventually comes to be interpreted as three different scenarios this thriller is really dedicated to the little people the victims of one of the most disastrous conflicts in the 20th century it contains cruelty and heroism endurance and deceit it uses research into a war of such confusion that even today participants still argue about their roles and intentions

So Few on Earth Josie Penny,2010-10-04 Short listed for the 2011 Democracy 250 Atlantic Book Award for Historical Writing Josephine Mildred Curl Penny grew up in Labrador during the 1940s and 1950s Like many M tis she and her family lived a semi nomadic lifestyle moving inside to the primitive settlement of Roaches Brook each fall to hunt and trap and outside to Spotted Islands in the spring to harvest the rich fishing grounds Sent away to hospital at age four to boarding school when she was seven and forced out to work at age eleven Josie lost the family bond so important to a young child She recounts the years spent at Lockwood Boarding School where she suffered atrocious punishments merciless teasing and the humiliation of two rapes The depersonalization and constant punishment eventually took their toll and her once free spirited nature was broken Reading became her only escape Set against the beauty and ruggedness of the Labrador coast **So Few on Earth** is a story of perseverance in a harsh environment and the possibility of life starting anew from shattered beginnings

So Many Christians, So Few Lions George Yancey,David A. Williamson,2014-11-06 **So Many Christians So Few Lions** is a provocative look at anti Christian sentiments in America Drawing on both quantitative and qualitative research authors George Yancey and David A Williamson show that even though or perhaps because Christianity is the dominant religion in the United States bias against Christians also exists particularly against conservative Christians and that this bias is worth understanding The book does not attempt to show the prevalence of anti Christian sentiments called Christianophobia but rather to document it to dig into where and how it exists to explore who harbors these attitudes and to examine how this bias plays itself out in everyday life Excerpts from the authors interviews highlight the fear and hatred that some people harbor towards Christians especially the Christian right and the ways these people exhibit elements of bigotry prejudice and dehumanization The authors argue that understanding anti Christian bias is important for understanding some social dynamics in America and they offer practical suggestions to help reduce religious intolerance of all kinds
