Toilet Paper Issue 10 Toiletpaper Magazine:

Toilet Paper: Issue 10 Maurizio Cattelan, 2014 Toilet Paper is an artists magazine created and produced by Maurizio Cattelan and photographer Pierpaolo Ferrari Le Dictateur born out of a passion or obsession they both cultivate images Following in the wake of Cattelan's cult publication Permanent Food the magazine contains no text each picture springs from an idea often simple and through a complex orchestration of people it becomes the materialization of the artists mental outbursts Since the first issue in 2010 Toilet Paper has created a world that displays ambiguous narratives and a troubling imagination It combines the vernacular of commercial photography with twisted narrative tableaux and surrealistic imagery The result is a publication that is itself a work of art which through its accessible form as a magazine and through its wide distribution challenges the limits of the contemporary art economy Magazine Abstracts United States.
