Tommy The Giraffe:

Tommy the Giraffe Ronald Destra, 2014-12-15 Tommy thinks of himself as the clumsiest giraffe in the world Try as he may he can't stay upright for too long before taking a tumble The other animals call him terrible nicknames and that's what hurts him the most He's too tall to run away and hide so he must find another way to deal with the ridicule When Tommy sees a storm coming in the distance he warns the other animals and they all take shelter He is surprised to discover that his helpfulness has earned him some new friends He bravely begins to do more for others Being useful inspires him to look beyond his awkward height and all the ways he is different Not everyone in Savanna is thankful of course some animals would love to eat him but that doesn't stop Tommy from doing his best every day One day poachers are heading toward Tommy and his friends This puts the community's safety in danger Motivated by love Tommy realizes he is able to safeguard the lives of others and in turn learns something about himself that is very surprising Vividly illustrated Tommy the Giraffe is a heartwarming animal tales children of all ages will relate to It teaches valuable lessons about grace purpose and caring about others in spite of their actions while emphasizing the importance of accepting and loving ourselves
